TWIN-ENGINE BUBBLE MACHINE

PRODUCT OVERVIEW

The Twin Engine Bubble Machine is built for endless fun, perfect for kids' playtime, backyard adventures, and parties. With dual spray wings, a rotating base, and colorful built-in lights, it creates a nonstop, magical bubble experience.

WHAT'S INCLUDED

- 1 Bubble Machine
- 100ml (3.38oz) bubble concentrate
- USB-C charging cable

MAINTENANCE AND STORAGE

Cleaning Procedure

- Fill the reservoir with clean water.
- Turn on the machine and let it run for 2-3 minutes to flush out any residue.
- Empty the reservoir and dry before storing.

Storage Guidelines

- Ensure the machine is powered off before cleaning or refilling.
- Store in a cool, dry place when not in use.
- Keep away from direct sunlight and extreme temperatures to maintain battery life.

For optimal performance, use high-quality bubble solution and follow proper maintenance procedures.

SETUP AND OPERATION

Charging the Battery

- Connect the USB-C cable to the charging port.
- The indicator light will turn green when fully charged.

Filling the Bubble Solution

- Unscrew the solution reservoir.
- Pour in bubble solution (dilute the concentrate as required).
- Ensure the straws are properly aligned with the hole in the reservoir.
- Securely close the reservoir to prevent leaks.
