Dryer Wheel Kit

- Dryer Wheel Kit converts a typical Box Dryer into a Mobile Unit
- Dryer Wheel Kit weighs 3 pounds.
- Dryer Wheel Kit parts include 2 legs with wheels, 1 handle and hardware.
- All Keller Dryer boxes have index holes drilled to position parts accurately.

**Typical Dryer Box
Inside a Dryer Chair.**

- The picture above shows a Dryer Box in a typical Dryer Chair.
- The top of the Dryer Box sits about 31.5" off of the floor.
- The wheel kit attached to a Dryer Box also raises the top of the dryer Box to 31.5" off of the floor.
- The Dryer Wheel Kit is a less expensive option than a Dryer Chair.
