Highland HP-5550 IMP – 23” Circle Base

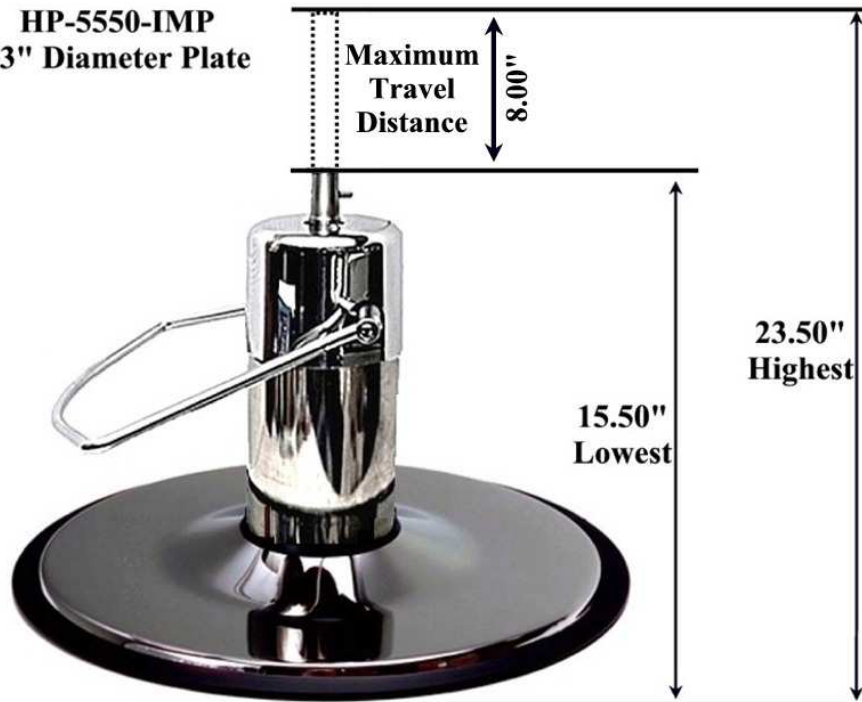

This is our top of the line and most durable Circle Base.

The Highland Extra Heavy Duty Hydraulic Pump is typically used for Barber Chairs.

Add as an upgrade to any Keller International Styling Chair, All Purpose Chair, or Barber Chair.

- Made in the U.S.A.
- Extended Limited Warranty of 5 years!
- Heavy duty 23-inch diameter base plate.
- Pump Shaft Travel Range is from 15.50" to 23.50."
- Chrome Finish.
- Constructed with heavy gauge steel to prevent bending.
- Large diameter lift body easily handles heavy loads and wide chairs.
- Robust foot tread won't bend or break, adding significant longevity.
- Sealed components are lubricated for life and prevent dirt from entering.
- Exclusively manufactured for Keller International to fit most Keller International import chairs.
