K9500 Top Unit

This Color Bar Combo is perfect for any salon or shop looking to add storage and organization to their hair color area. Featured in a beautiful black or espresso hardwood, this color bar station features ample cabinet storage above and below, two towel shoots with baskets, double stacking color storage slots and brushed stainless countertop! This unit also features a sink station with faucet for easy clean up and rinsing. Grabbing towels from the upper cabinet is made easy with the access hole located just above the sink. Bonus, expandable pull-out countertop for additional workspace
