The Keller K9600 Salon Color Bar without sink is complementary to our K9500! Now providing an extra extension for your color and chemical storage. Featured in either black or espresso to surely complement any salon or shop! Other characteristics include brushed stainless counter top for easy cleanup adding ample workspace. Cabinet space located below and above for bonus storage! A towel shoot is located on left side of the station to keep counters clean while making laundry duties easier. Stacking color storage slots are located right above the counter making for a more organized workspace. Be sure to view our Keller Salon Color Bar Combo for a larger workspace.
