OCTOBER 2017

WHAT WE LOVE

**SALLY HANSEN  
CHROME KIT IN  
ROSE GOLD**

DIY metallic nails at home with this kit. Apply nail color, dip sponge in powder, and rub over dry polish. Seal with topcoat, dry, and apply final coat.  
**TO BUY:** \$20; target.com.

**POUR MOI  
RÉPONSE DU  
CLIMAT DAY CREAM**

Rather than formulating creams based on skin type, Pour Moi created lotions to match certain climates (polar, desert, tropical, and temperate) so your skin looks great no matter where you live.  
**TO BUY:** \$35; pourmoibeauty.com.

**JO LOVES  
FRAGRANCE  
PAINTBRUSH  
IN POMELO**

Click the pen to dispense a refreshing gel, then brush onto your skin. It's more fun to apply than a rollerball and less likely to leak in your purse.  
**TO BUY:** \$55; joloves.com.

**Ouai HAIRCARE  
MEMORY MIST**

This double-duty hair pick is both a heat protectant (shielding strands from temps up to 450 degrees) and a holding spray. Mist onto damp or dry hair before heat styling.  
**TO BUY:** \$28; theouai.com.

**AOA STUDIO BRUSH  
CLEANING EGG**

A clever way to wash your makeup brushes: Slide the silicone egg onto your fingers, squirt a drop of soap onto it, then wet your brush and run it over the grooves, rinsing away debris.  
**TO BUY:** \$1; shopmissa.com.

**DIOR DIORSHOW  
PUMP 'N' VOLUME  
MASCARA**

Do you wipe off your mascara brush on the rim before each use? Instead, squeeze this flexible tube to remove excess mascara for clump-free lashes and a neater tube.  
**TO BUY:** \$29.50; dior.com.

**GLOSSIER  
WOWDER DUO**

Loose powder often puffs into a cloud of dust when you open it. Wowder's mesh top prevents that from happening. Sweep onto skin for a shine-free, airy glow.  
**TO BUY:** \$35; glossier.com.

# Pretty Smart

LIPSTICK WITH BUILT-IN LINER AND SEVEN OTHER BEAUTY BUYS TO SAVE YOUR SANITY

By Heather Muir Maffei

**SMASHBOX  
COSMETICS  
BE LEGENDARY  
TRIPLE TONE  
LIPSTICK**

Each bullet houses three shade gradients so you get an ombré lip in one swipe. The darkest color acts as lip liner, the center is your main hue, and the lightest one makes lips look fuller. Trace top lip, then flip to apply on bottom.

**TO BUY:** \$24 each; [smashbox.com](http://smashbox.com).
