

# TECHNICAL UPDATE

December 16, 2022

Every Mythos MY75(G)/MY85 (G) produced after this serial number is compatible with the new PUQpress M6.

**AMYTHOSTIMD750001**  
**VNM76E23MY0100000007**  
**N20072207000317**  
**Data Produzione: 11/03/2022**

**NOTE:**

For Mythos Grinders that are not compatible the electrical cable is situated in a different location causing the 2 units not to sit flush and become unstable.

Please contact Barista Technology for foot extender platforms. See image on the right.
