

CANDY CANE CHLOROPHYLL SMART-INI

A minty **MOCKTAIL** with
festive holiday **FLAVORS**
in a glass!

INGREDIENTS

1 Serving
MaryRuth's Vegan
Liquid Chlorophyll Drops

1/2 Cup
Plant-Based Milk

1 Can
Zevia Cream Soda**

2 Tbsp
Sugar-Free Simple Syrup

1
Candy Cane

INSTRUCTIONS

1. To prepare the martini glass rims, lightly coat the rim of each glass in simple syrup on a plate.
2. Put your candy cane in a bag and crush it up, then pour onto a separate plate.
3. Dip the glasses that have been coated in simple syrup into the crushed candy cane.
4. Next, simply stir together your plant-based milk of choice and cream soda in a small pitcher.
5. Pour the mixed drink into the candy cane-rimmed glasses.
6. Stir in one serving of chlorophyll drops into each, and serve!
