

ACTIVITY EDITION

# VOLCANO APPLE

An explosively fun **ACTIVITY** to do with the **KIDS** that will make you erupt with **JOY!**

## INGREDIENTS

Apple

Baking Soda

Vinegar

## INSTRUCTIONS

1. Have an adult use a knife to cut a hole at the top of the apple in the middle (around the stem) to about halfway down.
2. Place the apple on a dish, towel, or something else to help catch the runoff.
3. Let the kid(s) put a couple of spoonfuls of baking soda into the hole.
4. Pour some vinegar into a cup that will be easy for children to pour.
5. Have the kid(s) pour the vinegar into the hole and enjoy the fun scientific effect!

**TIP:** You can also add food coloring to your cup of vinegar if you want a colorful eruption!
