

PDO Mk2

Office 
Home 

Gas Strut

The PDO Mk2 - the ideal touch-operated solution for kitchens, workshops, TV stands, office desks and so much more!

ILLUMINATED INDICATOR RING

An illuminated blue ring indicates that the unit has power.

ULTRA SLIM

When closed, the unit is mounted nearly flush with the work surface.

POWER OUTLET ORIENTATION

Power outlets are pre-fitted at any angle in 45° increments.

POWER OUTLETS

Choose between 24 international power outlets. Visit www.powerlogic.net for options.

AESTHETICS

The power outlets are available in black, grey or white with additional colours available on special request. Contact your distributor for more information.

15A THERMAL OVERLOAD SWITCH

Protects the unit and other products connected to it from getting damaged in the case of a power surge.

LOCKING COLLAR RING

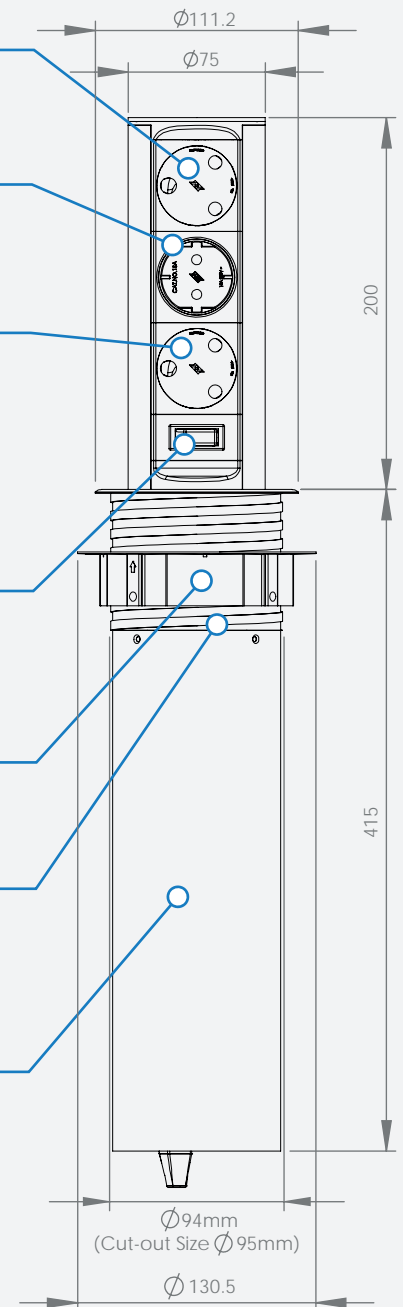

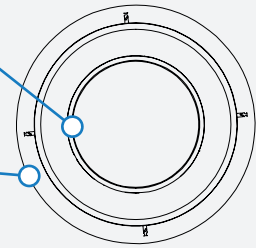

A big and robust locking collar for quick and easy installation.

LARGE BOLT THREAD

The desk collar has been engineered for strength with an easy to screw thread which aids in quick and easy installation.

AUTOMATIC EXTENSION

When the LED-lit centre ring of the unit is pressed down it raises itself from the work surface with a gas strut, providing access to power outlets.

All measurements are in millimeters unless otherwise indicated
