

| TRUSTED BEAUTY PROFESSIONALS LTD QUALIFICATION SPECIFICATION | | |
|--|--|---|
| Qualification Name | Brow Lamination and Tint | |
| Course Overview | <p>Brow lamination is a beauty treatment that involves straightening and lifting the eyebrow hairs to create a fuller, more uniform appearance. This process helps reshape unruly or sparse brows, making them look thicker and more defined. Adding a tint darkens the brow hairs, further enhancing their colour and shape. The results last for several weeks, offering a low-maintenance solution for perfectly groomed brows.</p> | |
| Course Pre-requisites | N/A | |
| Course Objectives | <ol style="list-style-type: none"> 1. To be able to understand the lamination process, using appropriate solutions to lift and set brow hairs. 2. To be able to assess the client's brow type and choose the correct products and techniques to achieve the desired shape. 3. To be able to apply tints effectively to enhance the colour and depth of the brows. 4. To be able to safely handle chemicals and ensure proper timing for lamination and tinting processes. 5. To be able provide clients with personalised aftercare advice to maintain brow health and results. | |
