Lee Fisher **INTERNATIONAL, INC.**

Quality products for Commercial Fishing, Sports Fishing,
Outdoor Netting, Crabbing Supplies and Hardware Goods.

We are a leading provider of commercial and recreational fishing supplies since 1982.
We are based in Tampa Florida. We manufacture and distribute our products
all over the USA as well as worldwide.

In 2005 Lee Fisher International, Inc. created the Ohero brand for serious anglers
that demand quality and value in their tackle. Since then it has expanded into a full
line of rods, reels, lines, leaders and high quality tools & accessories.

GENERAL TERMS & CONDITIONS

Payment Terms

Net 30 days on approved accounts. An interest rate of 1.5% will be applied to the unpaid monthly balance.

Freight Policy

Prepaid on orders more than \$750.00, or more than \$500 within the state of Florida for wholesale accounts. Prepaid on orders more than \$2,000 for distributor accounts. Exclusions to prepaid freight include traps and bulk lead.

Returns & Claims

Must be authorized before the merchandise will be accepted. Any mistake, shortage, or damaged merchandise must be reported within 14 days. No claims will be accepted after that.

Restocking Charge

A 15% restocking charge will be applied to non-damaged returned merchandise, after an authorized return is made.

Excise Tax

The excise tax has been calculated into the price for all items it applies to. Please ask us if you have any questions as to whether an item is taxable.

CAST NETS

Lee Fisher International, Inc. has been making cast nets since 1982. We pride ourselves not only in building nets of the highest quality but also in being able to offer them at the most reasonable prices. Our attention to detail and our skilled workmanship has made us the leading manufacturer of high-end professional cast nets in the market today. As always, we continue to expand our brand to compete in the ever changing market to meet our customers' needs.

Cast Net Warranty

We guarantee our nets to be free of defects in workmanship and materials. Any exchanges or refunds must be authorized before the net has been used. Please inspect your net fully before throwing it. Once the net goes into water, we will not be liable for any claim.

HUMPBACK SERIES NEW

The Humpback Cast Net is our new line of premium, professional-grade bait nets from Lee Fisher International. We have over 30 years of net-building experience. This expertise coupled with our drive for improvement and innovation sets us apart as a world leader in the art of cast net making. The Humpback Cast Net is a prime example of our workmanship.

Features:

- Double braided nylon lead line tied at every mesh
- Double selvage mesh at horn and lead line
- Mesh Sizes: 1/4"sq, 3/8"sq, 1/2"sq
- Weight Ratio: 1.6lbs per foot (Shallow water model, 1.3lbs per foot)
- Sectioned horn to reduce brail line tangling
- 6 Panel design with extra soft high end monofilament
- 30 feet of hollow braid hand line rope
- Shallow water model available in 1/4"sq and 3/8"sq mesh

BAIT BUSTER SERIES

Using our unrivaled experience in net making, we present you with the Bait Buster series, a hand-made net of the highest caliber offered to you at an amazing value. This signature green cast net will satisfy even the toughest critics with its superior construction and the ability to catch bait, offered to you at a bargain price.

Features:

- Patented DRAGON HEAD and swivel prevents tangling, throws better and can easily be fixed
- Real lead at **1.5 LBS per radius foot**, allows the net to sink extremely fast
- Each lead crimped to lead line to prevent movement, prolonging life of nets.
- Heavy 100 lb test brail line to close net tightly
- 6 panel design
- Highest quality strong and durable material
- Hand crafted workmanship
- Packed in a heavy duty 3.5 gallon bucket
- Free cast net fishing instructional DVD included

FISHING REELS

SG SERIES INSHORE SPINNING REEL

Great Performance, Suited for Most Fishing Environments, & Affordable

Ohero has built a versatile reel loaded with features at a price all anglers can afford. Finally, a rugged and wallet friendly spinning reel built to withstand the harsh saltwater environment. With 8 stainless steel ball bearings, 2 shielded ball bearings and 7 large drag washers for excellent dispersion of heat, Ohero's saltwater reels offer excellent performance and reliability at very affordable prices!

Features:

- 7+1 stainless steel ball bearings, including 2 shielded ball bearings
- 7 large 1" drag washers for quick dispersion of heat and maximum drag
- High density materials for the extreme angler
- Machined aluminum spool & handle
- Instant anti-reverse

7 + 1 stainless steel ball bearings offers smooth crank and protection in saltwater environment

7 large 1" washers allow faster dispersion of heat

FISHING RODS

PLATINUM SERIES RODS

Meet the King of Inshore Rods!

Designed by professional fishermen who make their living fishing. Field tested on the water under all conditions, not in a manufacturing plant with machine set tolerances. A touch of power, a touch of finesse, and a lot of sensitivity makes the Ohero Platinum rod the best ever built in its class.

Features

- IM-8 high modulus graphite blank
- Double footed Fuji® carbide guide
- Fuji® reel seat + stainless steel hoods
- Premium cork grips
- Hook keeper
- One piece rod

Category: Spinning

CARBONADO SERIES RODS

You May Have an Urge to Fish All Day Long!

The best performing rods we've ever built! Ohero's lightest rod series, the Carbonado series rods are light yet powerful while priced at much less than other rods with similar specs. Weighing in at just 4.5 ounces, the Carbonado rods are perfect for kayak fishing or all day tournaments. The split handle with ergonomic EVA grip is comfortable and sensitive enough to detect even the slightest vibration. This is a great choice for any angler throwing artificial baits.

Features:

- IM-8 graphite construction
- PacBay stainless steel guide frames
- PacBay silicon carbide guide insert
- Custom ergonomic reel seat
- EVA split handle for sensitivity and balance
- Stainless steel hook keeper

ULTRA GOLD SERIES RODS

Our Gold Series Rods but Even Better!

The Ultra Gold series spinning rod is engineered with a high modulus IM7 graphite blank allowing for greater sensitivity and durability while still being extremely lightweight. It is our only spinning rod available in the 6'6" length.

Features:

- IM7 graphite blank
- V-Mark guides: titanium frame with a zirconia ring insert
- Durable graphite reel seat
- Convenient stainless steel hook keeper
- High grade cork handle with split grip design

GOLD SERIES RODS

Finally a Tough, Everyday Rod for the Masses!

The first rod ever made in the Ohero family of rods. It has all the qualities of a more expensive rod, but was built with value in mind. Also field tested by professional fishermen on the water, not in a factory. If you are in pursuit of perfection at the perfect price, this rod is for you.

Features:

- IM-7 high modulus graphite blank
- SiC (Silicon Carbide) guides
- High quality cork grips
- Stainless steel hook keeper

ROD AND REEL COMBOS

PELICAN COMBO

Rod: 662M

- 6'6" length, 2 piece rod
- Medium action
- Fiberglass blank material
- EVA split grip handle
- Hook keeper

Category: Spinning

Item No.	Length	Pieces	Reel Size	Bearings	Power
OHCP3000-B/662M	6'6"	2	3000	Bushing	Medium

Reel: 3000

- 3000 size reel
- 2 bushings
- Aluminum spool
- Folding handle
- Pre-spooled with 8 lb mono line

EGRËT COMBO

Rod: 702M

- 7' length, 2 piece rod
- Medium Heavy action
- EVA split grip handle
- Stainless steel hooded reel seat
- Fiberglass blank material
- Stainless steel frames with aluminum oxide guide inserts
- Stainless steel hook keeper

Category: Spinning

Item No.	Length	Pieces	Reel Size	Bearings	Power
OHCF4000-3B/702MH	7'	2	4000	3 Ball Bearings	Medium Heavy

Reel: 4000

- 4000 size reel
- 3 ball bearings
- Aluminum spool and handle
- Soft touch knob
- Pre-spooled with 12 lb mono line

OSPREY COMBO

Rod: 702M

- 7' length, 2 piece rod
- Medium action
- IM7 graphite fibers
- Cork handle
- Lightweight graphite reel seat
- Stainless steel hooded reel seat
- Stainless steel hook keeper
- Stainless steel frames with aluminum oxide guide inserts

Category: Spinning

Item No.	Length	Pieces	Reel Size	Bearings	Power
OHCO3000-5B/702M	7'	2	3000	5 Ball Bearings	Medium

Reel: 3000

- 3000 size reel
- 5 ball bearings
- Aluminum spool and handle
- Soft touch knob
- Pre-spooled with 10 lb mono line
- Stainless steel hook keeper

FISHING LINE

BRAIDED LINE

Ohero Advanced Microfiber Original Braid

Made with the highest grade microfiber. Ohero Braid has the smallest braid to monofilament equivalent ratio on the market. It is strong and abrasion resistant with absolutely no memory. Ohero Original Braid is a tough line for tough fish. It is available in Green, Hi-Vis Yellow and Blue. Tensile strength range from 10 lb to 150 lb test. Spool sizes are 150, 300 and 2,000 yards.

Features:

- Incredible sensitivity due to almost zero stretch
- Constructed with nano technology
- No spool memory
- Available in 150, 300 & 2,000 yard spools

Item No.	LB Test	Mono Equiv.	Diameter	Spool Size (yd)

MONOFILAMENT LINE

Ohero Sea Slayer Premium Monofilament Line

This superior monofilament offers 10 times the abrasion resistance of conventional monofilaments yet it is supple. It is remarkably strong and has excellent knot strength. Available now in 3LB and 5LB spools in Aqua Blue to blend seamlessly to its surroundings. Also, we are introducing a new 1000 Yard coil available in Hi-Vis color.

Features:

- Ultra strong and thin, sinks faster and provides excellent lure action
- Shock resistance for controlled stretch and superior fighting power
- Soft & smooth for easy knot tying and high tensile strength
- Low memory to resist twists and kinks
- Aqua blue color for the ultimate transparency in offshore application
- Hi-Vis color is ideal for trolling multiple lines

Joy Fish Monofilament Fishing Line

The Joy Fish® brand of quality monofilament fishing line has been fully approved by commercial and sports fishermen all around the world, and for good reason! Our line is made of advanced resin material from well-known companies (such as Dupont & Bayer) and is manufactured on computer operated machinery using the most advanced technology available. This gives our product the “Joy Fish” advantage with superior quality line that is smaller, stronger, super soft and flexible. Now available in Clear and Hi-Vis colors.

FLUOROCARBON LEADER

Ohero 100% Fluorocarbon Leader

Get ready for the best leader on the market!

Ohero fluorocarbon leader is ideal for both fresh and salt water applications. It has superior knot strength, incredible abrasion resistance and offers virtual invisibility in water, which makes it perfect for going after all species of fish. Ohero has a unique line management system where each spool is wrapped with a band of Velcro that keeps your spool tangle free. Don't miss out on the angler advantage you get when using a fluorocarbon leader. The fish will never see you coming!

Features:

- Has a refractive index of 1.42, close to that of water's (1.33)
- Will not absorb water
- High abrasion resistance
- Sinks faster than monofilament. Highly specific gravity (1.78)
- Available in 25, 50 and 200 yard spools
- Convenient Velcro closure

ROPE

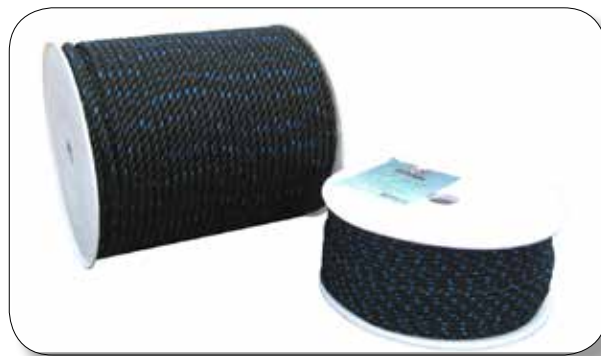

3-Strand Twisted Polyethylene Rope

Ropes made from this synthetic fiber are strong yet light-weight. They do not deteriorate with water or sunlight. The rope floats, it is resistant to most chemicals, and has good dielectric property. Available in the following colors: Black with Blue Tracer.

Available in 600' & 1,200' spools

Item Number	Diameter	Tensile Strength
RPT316	3/16"	720 lbs
RPT14	1/4"	1130 lbs
RPT516	5/16"	1710 lbs
RPT1132	11/32"	2000 lbs
RPT38	3/8"	2440 lbs
RPT12	1/2"	3780 lbs

Hollow Braided Polyethylene Rope

Ropes made from this synthetic fiber are strong yet light weight. They do not deteriorate with water or sunlight. It floats, is resistant to most chemicals, and has good dielectric property. Poly ropes are used heavily in commercial fishing and crabbing.

Available in 600' & 1,200' spools

Item Number	Diameter	Tensile Strength
RPBHB14	1/4"	1000 lbs
RPBHB516	5/16"	1300 lbs
RPBHB38	3/8"	1800 lbs
RPBHB12	1/2"	2900 lbs

TRAPS & ACCESSORIES

We build and stock an array of crab traps, fish traps and lobster traps in many different shapes and sizes. If you don't see the one you want, we may be able to make it for you. Call us for quantity pricing on purchases of 50 or more.

Pinfish Trap

Features 4 openings (2 on each side), it sits bait well side down, trap door on top. Tie your rope to one of the top corners for easy retrieval.

- Black vinyl coated wire

Anchor Retrieval System

Uses the boat's power to lift the anchor. Anchor line goes through the ring with buoy line attached on the other side. When the boat moves away from its location, the buoy provides the buoyancy needed to lift the anchor, saving you time and stress.

Includes:

- 12" inflatable buoy
- Stainless ring and clip
- 3' of 3/8" nylon rope

Item No.
ANCHOR RETRIEVAL

In-Line Circle Hook

Our most versatile live bait hook! Designed with a light wire for a more natural presentation. Its ultra sharp needle point makes for a perfect jaw hook set on the toughest of saltwater gamefish.

Features

- Complies with Gulf Coast Reef Fishing Regulations
- Tournament approved live bait hook
- Light wire for frisky live bait action
- Forged high carbon steel construction
- Ultra sharp point
- Made in Japan
- Black chrome finish

ACCESSORIES

Enviro Fish Pump **NEW**

Item No.
FISH AIR PUMP

Super Quiet, Super Efficient, Super Bait

- This new ENVIRO aerator pump is very efficient producing over 50 hours of continuous air using only 2 AA batteries
- The small motor makes for a quieter output and almost no vibration
- The air bubbles come from a super fine stone and are much smaller than other pumps allowing for more oxygen input into the water
- The packaging allows for the pump to be protected from the elements
