### cafe de la la latte ❄️

• served in our 12oz reusable cup 6.9

viennese latte comprised of our house made vienna cloud with your choice of milk, organic espresso or matcha, iced our vienna cloud that was developed through painstaking hours of research and testing, after weeks of failed tests there was one crème that came out so perfect, it was magical and our view on cloud and cold foam has forever been overshadowed by this perfectly dense lightly sweetened crème
