Tomlinson Faucets

Designer and Contemporary Styles

Now Available
Three Ways

A whole new degree
of high-style for the
high-end kitchen.

Our Designer and Contemporary faucets give dealers and distributors tremendous up-sell potential for customers who want gorgeous style in their kitchen. Multiple finishes mean these high-end faucets can match any décor. Plus their lead-free brass construction and self-closing "hot" handles make them as safe as they are sensational.

Hot Only and **Hot & Cold** Faucets

Tomlinson now offers "hot only" and "hot & cold" faucets designed to work with instant hot water dispensers. They can also be adapted for use with RO systems.

Available in both Designer and Contemporary styles, these beautifully crafted faucets give you the flexibility you need for today's upscale kitchens and entertainment areas.

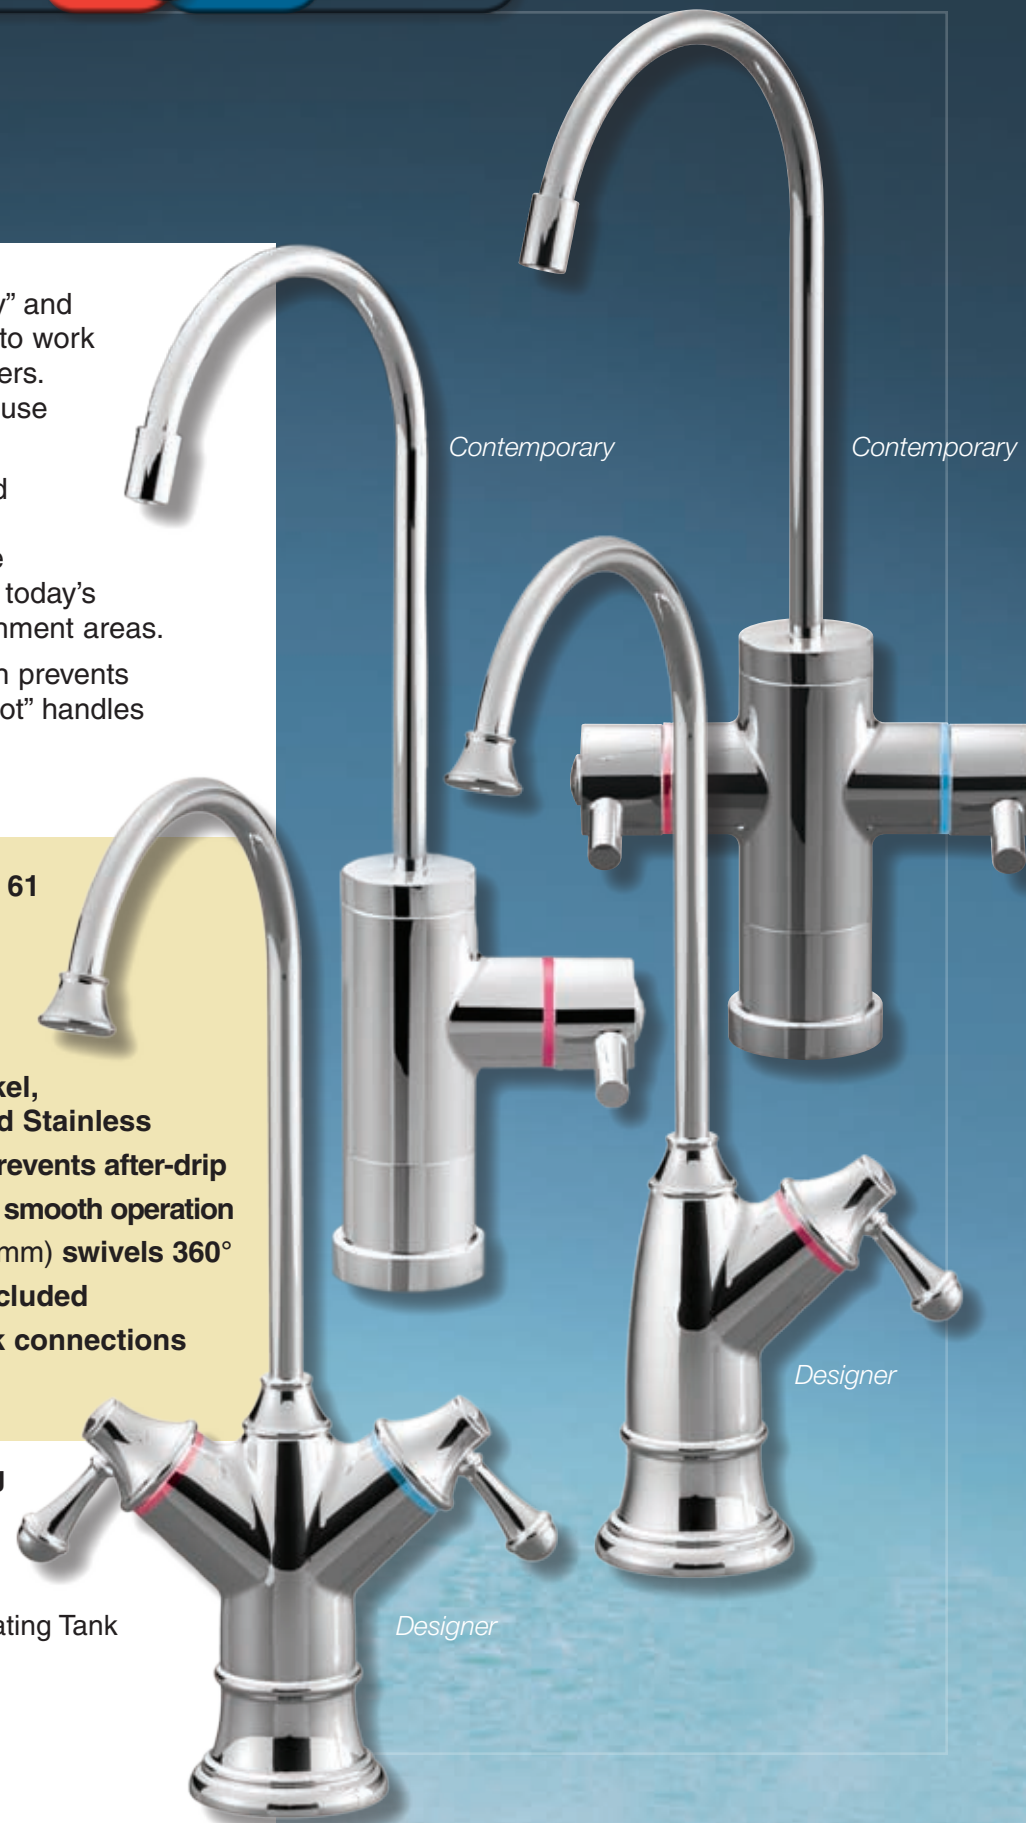

Our protective spout tip design prevents after-drip, while self-closing "hot" handles provide additional safety.

- NSF listed to ANSI NSF Std. 61
- Lever-style handles
- Hot handle is self-closing for added safety
- Four finishes: Polished Chrome, Satin Nickel, Antique Bronze and Brushed Stainless
- Protective spout tip design prevents after-drip
- Internal ceramic disc provides smooth operation
- High reach neck of 12" (305 mm) swivels 360°
- All mounting hardware is included
- Preinstalled tubing for quick connections
- Two-year warranty

Compatible with the following hot water dispensers:

- Waste King® (Anaheim Mfg.)
- Everpure® Everhot EV931840
- HT200 Franke® Little Butler Heating Tank
- Everpure® Commercial Grade Instant Hot CGHE1
- Little Gourmet®
- KitchenAid® (Whirlpool®)
- Mountain Plumbing MT641
- Quick & Hot® Waterstone #5000 Hot Tank
- Solaria™ Instant Hot Water Dispenser EV9318-40

NOTE: Not compatible with InSinkErator products.

Cold Only RO Faucets

Our cold water Designer and Contemporary RO faucets are a cool addition to any kitchen.

Nine fabulous finishes let you match virtually any décor. Plus the lead-free brass construction of the faucets is quality all the way.

Tomlinson's faucets are a real standout – and a great opportunity for you to set yourself apart.

- NSF listed to ANSI NSF Std. 61
