

# Jog For a Jug helps out local Charities

This coming June 15th will be the 38th running of the Jog for a Jug Fun run in Pt. Roberts.

For the past 12 years this local fun run has been organized by the RunInn Delta with all proceeds from the race going to several local charities.

“When we took over the race 12 years ago it was a great chance for us to help give back to the community” says Kevin Ridley owner of the Runinn Delta.

“We are a big believer in supporting local community and when we first got involved with the Race we donated all proceeds to The Hannah’s Heroes foundation which was a local charity helping kids with Brain Stem cancer.” Since then

we have helped out Kidsport Delta and this year we are proud to have Deltassist as our local charity of choice.”

“We have also been lucky enough to bring Mark Schoeffel of Hollis Wealth on board as a presenting sponsor. Mark’s company will be donating \$2000.00 towards the race so we are off to a great start”.

The Jog for a Jug is an 11.2 km Fun Run or Walk through Pt. Roberts with the start and finish at the Reef Tavern. The race is followed by a BBQ provided by the Reef with music and prizes for everyone involved in the event.

The Reef is open to all ages so you can bring down your whole family to enjoy

the beautiful setting and know that you are helping a great local charity.
