CONSENT

This is your consent to allow Flowers Forever and Bellabeads to preserve your flowers using our expert knowledge, best judgment and discretion based on your choice of preservation method and/or any instructions provided by you. Floral preservation is custom work and subject to creative decisions made at the design stage.

DEPOSIT

Pressed/ Freeze-dried - Your order must be paid in full at the time of your selection. If you have not made a design selection, **50%** (non-refundable) deposit is required per bouquet. Your final selection must reflect one deposit to be deducted from each design selection. We do not return extra flowers or deposits not used in a design selection.

JEWELRY = Your order must be paid in full at the time of your selection. If you are not able to make your selection, a \$100 (non-refundable) deposit is required. Your final selection must be made no later than three weeks from the date we receive your flowers. Your deposit will be deducted from the total order.

DESIGN SELECTIONS

If you have not made any selections; you must select your pressed, freeze dried or jewelry designs within three weeks from the date we receive your flowers. After this time your flowers may be considered abandoned and subject to disposal.

WHAT TO EXPECT - from floral preservation and our services.

Freeze-dried Designs

Color change and slight shrinkage is natural. Some flowers may shed during and after the preservation process and/or may not dry well. If this occurs, we will advice you on replacement options. We cannot dry succulents.

Pressed Designs

Slight color change may occur during the pressing process. Very thick items that will not allow us to firmly secure your pressed flowers in between the glass and mat cannot be used. We cannot press succulents.

Jewelry

Leftover petals will be stored for six months for future jewelry orders, then discarded. For a longer storage period, make arrangements with us at the time of your initial order. All petals are discarded after a year; we cannot return leftover petals.

-Resizing- beads removed for the purpose of resizing (charges may apply) will be discarded. If you wish to have jewelry created with these beads, we can do so for a nominal fee. You must specify your jewelry selections at the time of your resizing request.

FLOWERS NOT USED in a keepsake container, frame or jewelry design will be become property of Flowers Forever and Bellabeads. We can not return leftover, extra flowers or petals.
