--	--	---

**PLEASE READ, INTIAL (applicable paragraphs) AND SIGN BELOW:**

**Consent-** This is your consent to allow Flowers Forever (Bellabeads- a division of Flowers Forever) to preserve your flowers/petals using our expert knowledge, best judgment and discretion. Flower preservation into beads is custom work and subject to creative decisions made at the design stage.

**If you ordered on Etsy or our website, starred \*\* paragraphs do not apply.**

**\*\* Deposit-** This completed order form, payment in full and your flowers/petals must be received at the same time. If you have not made your jewelry selections, a non- refundable deposit of \$100.00 is required along with your flowers/petals. The full deposit will be deducted from your total purchase.

**\*\* Selecting your jewelry design-** Call us for help in making your jewelry selection. You must make your design selection *within three weeks from the date we receive your flowers/petals. The full deposit will be deducted from your total order and* payment in full is required. After three weeks without a design selection, your flowers will be considered abandoned and discarded. Call us if you need us to store your flowers/petals for a few additional weeks.

**Bellabaeds are handmade-** Some color change is natural; some flowers dry darker and some lighter. If you are sending dried petals, we will need your input to recolor them to their original shade (as close as possible). The size and shape of each bead may vary slightly. There are many variables when making flower beads. Some will show small pieces of petals, other will show the opaque color of the flowers.

**We cannot assume liability-** for any damages to flowers/petals prior to their arrival. It is the client's responsibility to pack the flowers/petals appropriately as described on our website (myflowersforeverjewelry.com)

**Flowers not turned into beads** will be stored for six months for future jewelry orders. After said time they will be discarded. We do not return extra or leftover flowers or beads.
