

# TANGLES'N KNOTS

## Double the Trouble Friendship Bracelet

*This little bracelet is one of our favorite designs! It is very easy to make and almost any type or shape of bead can be used. It is made with a series of Double Connection Knots so we like to call it Double the Trouble!*

*For this bracelet, we used 6mm round white cloisonne beads and paired it with black chinese knot cord for a classy look, just perfect for the Chinese New Year!*

### MATERIALS:

.8mm/1mm Chinese Knot Cord (2 yards)

8-10 beads with 1mm hole

### KNOTS:

\* Double Connection Knot

\* Square Knot Sliding Clasp

### INSTRUCTIONS:

- 1) Cut 1 piece of nylon cord about 2 yards in length and fold in half.
- 2) Tie two Double Connection Knots about 2 inches from the fold. Cut the fold off close to the Double Connection Knot and seal with a thread burner or flame.
- 3) Measure 5 inches from the knotted ends and tie another two Double Connection Knots
- 4) Slide a bead onto one of the cords and tie two Double Connection Knots

# TANGLES'N KNOTS

## *Double the Trouble Friendship Bracelet*

- 5) Slide a bead onto the other cord and tie two Double Connection Knots
- 6) Continue adding a bead and tying two Double Connection Knots until the bracelet is the length you want making sure to end with two Double Connection knots
- 7) Measure 5 inches from the last set of Double Connection Knots you just tied and tie another two Double Connection Knots. Trim ends and seal.
- 8) Add a Square Knot Sliding Clasp and you are done!
