Few Tips Before Finding Your Ring Size

1. For a more accurate measurement, be sure you have warm hands.
2. Not all fingers on your right hand will always have the same size as the left hand, so measure the finger on the hand you plan on wearing your ring.
3. If you are printing out Glitz Design's Ring Sheet, be sure to print it out at 100% to get proper measurements.

String Method

1. Get a piece of string, a marker, and a ruler.
2. Take the string and wrap it around the finger you want to wear the ring. mark the end with a marker.
3. Measure the string to the end of the mark and match it with the ruler.
4. Find that measurement on the ring chart.

TIP: Be sure the string is a comfortable fit and not too tight.

Ring Method

1. Get a ring that fits you or the person you are buying the ring for.
2. Print out this ring chart and put the ring against the ring chart and see which one matches perfectly.

TIP: One of the circles on the ring chart should fit perfectly inside the ring.
