

CARE MOSCATEL DE ALEJANDRIA NATIVA - BODEGAS ANADAS 2017 - HALF BOTTLE

<https://gerrardseel.co.uk/products/care-moscatel-de-alejandria-bodegas-anadas-2017>

Muscat of Alexandria is one of the ancient grape varieties of the world. This typically Mediterranean varietal is very well adapted to the sun and dryness of Aragon as well as the Encinacorba hills cooler temperatures. This is a late harvest sweet wine that has been aged on its lees to develop the fruit flavours that tend to be towards the spectrum of exotice fruits such as lichi, mango and melon with hints of honey adding complexity. The palate is surprisingly fresh and the wine is vibrant and perectly balanced. It is also suited to vegans and vegetarins.
