FORGE MILL BUSH VINE CHENIN BLANC

<https://gerrardseel.co.uk/products/forge-mill-bush-vine-chenin-blanc>

Forge Mill Bush Vine Chenin Blanc has a nose packed with aromas of gooseberries and guava which are echoed on the palate, together with some firmer mineral notes and a crisp, refreshing acidity which help it to pair so well with food.

Offering a rare blend of exceptional quality at a very attractive price, this Forge Mill white comes from the Riebeek Valley in Swartland and is a modern style of South African Chenin Blanc.

ABOUT THE GROWER

Originally, the Forge Mill name was used for the wines of the Franschhoek co-operative, but it has evolved into a label used for specific wines selected from various regions of the Cape vineyards. At first it was South Africa's own Pinotage that made Forge Mill's flagship wine, but several other wines have since been added to the range and they all offer exceptionally easy drinking.
