## MURPHY VINEYARDS BIG RIVERS SHIRAZ

<https://gerrardseel.co.uk/products/murphy-vineyards-big-rivers-shiraz>

Murphy Vineyards Big Rivers Shiraz is a great example of Aussie Shiraz at a great price too. Packed with black fruit with blackcurrant dominating, it has spice notes too supported by a good structure with plenty of ripe, unobtrusive tannins. It's a joy to drink and is a real star with our restaurant clients.

Made by Anthony Murphy of Trentham Estate, this Murphy Vineyards Big Rivers Shiraz offers both great value and style. The grape selection and winemaking practices aim to highlight the fruit flavours with these wines.

### WHY WE LIKE THIS WINE

As with just about everything Tony Murphy makes, this wine has the hallmark of Australia stamped on it. It's generous, well fruited and structured and at such a great price too. This is a star buy that won't break the bank.

### ABOUT THE GROWER

The Murphy family (of Trentham Estate) has grown grapes in the Murray Darling region of Australia, part of the Big Rivers, since 1909. They build on this experience to create attractive, fruit-driven wines.

The grape selection and winemaking practices at Murphy's aim to highlight the fruit flavours with these wines. These appealing styles show ripe fruit aromas and soft, rich palates. Murphy Vineyards has selected, from its own plantings, Chardonnay and Shiraz grapes of great quality which display true varietal expression in the final wine.
