PINK ZINFANDEL - ARIETTA

<https://gerrardseel.co.uk/products/pink-zinfandel-decanal>

This Pink Zinfandel Rose comes from Puglia and it has an intense bouquet of strawberries and other red fruits. The palate is well rounded and with a lovely touch of sweetness. It's very easy drinking and just the thing to slip down well on a warm summer's day. Although it's good to drink by itself it also goes well with a wide variety of starters, soups, fish dishes and even cheese.

WHY WE LIKE THIS WINE

We have numerous clients who prefer to drink something with a sweeter edge than you find in most classical roses. This really does the job but doesn't have the huge sweetness of the Californian Zinfandel Roses and we feel this is much more suited to the European palate. Good with food too.

ABOUT THE GROWER

Casa Girelli is a negotiant company based in Trento in Northern Italy. Founded in the latter part of the nineteenth century, they are now recognised as being one of the foremost broking companies for sourcing Italian wines from many regions but principally for the wines of the north west.

We have been working closely with them to develop several ranges of wines that offer above all else, high quality, but due to their incredible buying power, the wines always remain at very sensible prices.

Utmost attention to detail and constant research are key to achieving reliable superior quality in winemaking, with no compromise." This is their philosophy which is applied to all stages of winemaking, from the vineyards to the cellar itself. The team of oenotechnicians are constantly engaged in research in order to ensure superior quality wines.

These are wines that are very much worth searching out and each one is an excellent example of just what each style should offer.
