PROSECCO DI TREVISO MILLESIMATO EXTRA DRY "BUTTERFLY"

https://gerrardseel.co.uk/products/prosecco-di-treviso-millesimato-extra-dry-butterfly

This vintage Prosecco is a superb wine for any special occasion and where we come from, everyday is a special occasion! It's great either as an aperitif or as part of a meal. The wine is perfectly balanced with a touch of residual sugar to bring plenty of fruit flavours to the palate and a delightful level of acidity to keep the plate refreshed. Excellent!

ABOUT THE GROWER

Brothers Paolo and Giorgio Polegato, members of the same winemaking family behind Antonini Ceresa Vini, set up Astoria Vini in 1987. Astoria wines are mainly produced from grapes grown on its own 40 acre Tenuta Val De Brun estate in Refrontolo, right in the heart of the DOCG Conegliano-Valdobbiadene zone. As you would expect from such a location the excellence of Astoria Vini Prosecco is a given. What you might not expect is the range and the quality of the still wines produced by Astoria Vini, from light, fresh, unoaked whites to substantial, ageworthy, barrique-aged reds and dried grape, Passito dessert wines - all of which are very stylishly packaged.

Awards for the Astoria Vini range of wines are numerous and it is seldom a year that goes by at Vinitaly, Italy's major wine fair, that the Polegato brothers are not rewarded in some form. In addition to the high quality of their wines they consistently offer exceptionally stylish packaging, helping the Astoria Vini to wines stand out in any situation. Great value, great looking and great quality.
