ROSSO DI PUGLIA - CORTE MASERA

<https://gerrardseel.co.uk/products/rosso-di-puglia-corte-masera>

This soft and juicy red from Puglia in the heel of Italy is just the thing for quaffing with pizza, a barbecue or a bowl of pasta. You can even enjoy it by itself! It has delicious red and black fruit aromas and flavours together with a touch of spice. The tannins are soft and gentle and do not interfere with the wine when its on the palate but they are sufficient to add some decent backbone.

WHY WE LIKE THIS WINE

As with the white version, this wine offers great value for money. It's so easy drinking, it goes down almost too well. It's just the ticket for a barbecue with the gentle spice notes going down well against smokey food but it's equally at home with a pizza. It won't break the bank either!!

ABOUT THE GROWER

Casa Girelli is a negotiant company based in Trento in Northern Italy. Founded in the latter part of the nineteenth century, they are now recognised as being one of the foremost broking companies for sourcing Italian wines from many regions but principally for the wines of the north west.

We have been working closely with them to develop several ranges of wines that offer above all else, high quality, but due to their incredible buying power, the wines always remain at very sensible prices.

Utmost attention to detail and constant research are key to achieving reliable superior quality in winemaking, with no compromise." This is their philosophy which is applied to all stages of winemaking, from the vineyards to the cellar itself The team of oenotechnicians are constantly engaged in research in order to ensure superior quality wines.

These are wines that are very much worth searching out and each one is an excellent example of just what each style should offer
