

TENIMENTI SPINSANTI ANNACHIARA - MARCHE IGT

<https://gerrardseel.co.uk/products/tenimenti-spinsanti-annachiara-marche-igt>

This special white wine is a pale golden yellow colour. The nose is packed with fruit and has complex notes of citrus fruits, tomato leaves with tropical fruit behind such as lychee. In the mouth it is fresh and vibrant with a near perfect balance of fruit and acidity which really makes the palate come alive. It is fairly long in the aftertaste too so it's very much a white wine that ticks all the boxes!

Incrocio Bruni 54 is a crossing by pollination of Sauvignon Blanc and Verdicchio which was done in 1936 by Professor Bruno Bruni while working for the Italian Ministry of Agriculture. It is only really to be found in the Marche region and even there there is very little planted. This is such a shame as you will see from this wine that it makes an exceptional white wine that is good both with and without food.
