

## BROC CELLARS | 2016 Valdiguié

**VARIETAL:** 100% Valdiguié

**VINEYARD:** Frei Vineyard & Wirth Ranch

**LOCATION:** Solano County, Green Valley

**ALCOHOL:** 12%

**TOTAL PRODUCTION:** 308 cases

### WINEMAKER'S NOTES:

Grapes went through partial carbonic fermentation, which combined with lighter tannins from the 2016 vintage, makes for an easy drinking light bodied elegant wine. 2016 had very low yields, almost half than typically expected.

### VITICULTURAL AREA:

Both dry-farmed vineyards are over 65 years old and are located just a mile apart from each other, between Napa and Suisun Valley. Valdiguié was formerly known as Napa Gamay in California. Wirth is planted on steep-sloped, iron-rich soils, while Frei is located closer to the valley floor and has more acidic soils.

*Our wines are made naturally, meaning no use of inoculated yeasts or bacteria. We use only native yeast to spark fermentation. We do not add any powdered tannins or enzymes. A minimal dose of SO<sub>2</sub> is added 4 weeks before bottling to some wines.*
