

2017 GOT GRAPES

VARIETAL: 50% TROUSSEAU 50% ZINFANDEL

VINEYARD: WIRTH RANCH VINEYARD

LOCATION: SOLANO COUNTY GREEN VALLEY, CA

ALCOHOL: 12%

TOTAL PRODUCTION: 60 cases

WINEMAKER'S NOTES: Got Grapes is a series we started for wines that we made from a busy harvest year (unintentionally) that turned out to be something very special. For this bottling, we played off the old vine Zinfandel vineyards planted in California - where old Trousseau vines were planted and intermixed amongst the Zinfandel vines. 100% destemmed and fermented on the skins. After 2 weeks, we pressed into neutral French oak barrels. Blended in barrel and left to age for 8 months.

VITICULTURAL AREA: Both the Trousseau and Zinfandel vines come from old plant material that was newly grafted at Wirth Ranch Vineyard. Wirth Vineyard is dry-farmed and located in Solano County's Green Valley. There is no use of chemicals, pesticides or herbicides in the vineyard.

At Broc Cellars, all of our wines are made using spontaneous fermentation, a process that means we only use native yeasts and bacteria that exist on the grapes in order to make wine. We don't add anything – this includes nutrients, yeast, bacteria, enzymes, tannins or other popular fermentation agents. Sulphur is a naturally occurring element in all wine, the amount found can vary. We add little to no S02, depending on the wine and style.
