BROCC CELLARS | 2019 HAPPI CHENIN BLANC

VARIETAL: 100% Chenin Blanc

VINEYARD: Massa Vineyard

LOCATION: Carmel Valley

ALCOHOL: 12%

TOTAL PRODUCTION: 117 cases

WINEMAKER’S NOTES: We purchased a small amount of Chenin Blanc from Massa Vineyard’s 3-acre planting, making this our new Happi Chenin for the 2019 release. The grapes were direct pressed, fermented and aged in neutral French oak barrels for 10 months with no filtration and went through 100% malolactic fermentation. The wine has a natural acidity that shows off the mountain fruit – with minerality as the focus. This vintage of is a very special small production offering -- grab some if you can. It will age and develop for years if you can resist drinking it.

VITICULTURAL AREA: Massa Vineyard is located overlooking the Cachagua region of Carmel Valley. The vineyard has been certified organic since 1996 and sits at 1500 ft in elevation. Massa practices dry farming where the vines thrive, growing in loamy, sandy soils. They practice cover cropping (controlling weeds), composting and water conservation. Compost is spread in the middle of the vineyard rows thus creating healthy organic vineyard soil. We are grateful for the opportunity to work with this special vineyard.

At Broc Cellars, all of our wines are made using spontaneous fermentation, a process that means we only use native yeasts and bacteria that exist on the grapes in order to make wine. We don’t add anything – this includes nutrients, yeast, bacteria, enzymes, tannins or other popular fermentation agents. Sulphur is a naturally occurring element in all wine, the amount found can vary. We add little to no S02, depending on the wine and style.
