### **WINEMAKER'S NOTES:**

The fruit was destemmed and pressed into stainless steel tank. All three varieties fermented together just over 30 days. Spice comes from the Zinfandel, acidity from the Valdiguié and texture from the Trousseau. This is a 100% finished wine.

### **VITICULTURAL AREA:**

Ricetti and Rosewood Vineyards are located in Mendocino County. Wirth Vineyard grows in Solano County Green Valley – which is located just east of Napa Valley. All vineyards are dry farmed and do not use any herbicides, pesticides or synthetic fertilizers. Ricetti and Rosewood Vineyards are CCOF. Wirth is not certified but also practices the same farming.

*We started making our Love Wines because we want to provide a more affordable everyday drinking wine to a larger market while still espousing the key tenets we believe in --- minimal intervention and sustainable farming. The Love wines are larger production blends by design. We still use only native yeasts and bacteria for fermentation with no additives or adjuncts, but we do choose to use trace amounts of SO2 at bottling. Each of the Love blends contain grapes from vineyards with varying degrees of intervention and the vineyards and blends can change with each vintage.*
