VARIETIES : 100% Trousseau Noir

LOCATION : Solano County Green Valley

VINEYARD : Wirth Ranch Vineyard

ALCOHOL: 12.5%

TOTAL PRODUCTION: 154 cases

WINEMAKER'S NOTES :

This is our third vintage making Trousseau after we had old Syrah vines at Wirth Ranch grafted over in 2016. The cuttings come from Matthew Rorick Heritage Vineyard where they were propagated from the Jackson Vineyard planted in 1888. The fruit for the 2019 vintage was 100% destemmed, fermented and aged in a combo of sandstone jar and 1 neutral French oak barrel for 8 months.

VITICULTURAL AREA :

Solano County's Green Valley is a small area, located just southeast of Napa Valley. Wirth Ranch is planted on steep- sloped, iron-rich volcanic soils. It is located on the western edge of Solano County Green Valley. Farmed with no use of any pesticides or herbicides. Steve Wirth is the farmer and took over the property from his father.

At Broc Cellars, all of our wines are made using spontaneous fermentation, a process that means we only use native yeasts and bacteria that exist on the grapes in order to make wine. We don't add anything – this includes nutrients, yeast, bacteria, enzymes, tannins or other popular fermentation agents. Sulphur is a naturally occurring element in all wine, the amount found can vary. We add little to no SO₂, depending on the wine and style.
