

2021 LE CLAIRET

VARIETIES : 100% Cabernet Sauvignon

VINEYARD : Wirth Ranch

LOCATION : Solano County Green Valley

ALCOHOL : 13%

TOTAL PRODUCED : 1149 cases

WINEMAKER'S NOTES :

We pick at lower brix compared to neighboring Napa Valley to highlight a fresher style of Cabernet Sauvignon. We keep it fairly simple in the cellar. 90% of the Cabernet Sauvignon grapes were destemmed and the remaining 10% of grapes we left whole cluster to line the bottom of the tank. Fermented with native yeast and no SO₂ and pressed early to lessen the amount of tannins in the wine. This year's release is a fresher expression of California Cabernet Sauvignon, making it versatile to pair with. Enjoy.

VITICULTURAL AREA :

The grapes come from Wirth Ranch, located in the heart of Solano County's Green Valley, between Napa and Suisun Valley. The 30-year-old vines grow deep in iron-rich soils and is farmed organically.

At Broc Cellars, all of our wines are made using spontaneous fermentation, a process that means we only use native yeasts and bacteria that exist on the grapes in order to make wine. We don't add anything – this includes nutrients, yeast, bacteria, enzymes, tannins or other popular fermentation agents. Sulphur is a naturally occurring element in all wine, the amount found can vary. We add little to no SO₂, depending on the wine and style.
