

2022 GOT GRAPES RED

THE STORY: The origin story of Got Grapes is rooted in the unexpected and we reserve it for the experiments and pleasant surprises that each harvest throws our way. This is a great go-to red that smartly walks the tightrope of pensive structure with lighthearted fruit. The Got Grapes Red emerged from an extra bountiful 2022 harvest. After blending trials and bottlings for our mainstay reds like Love Red, Amore Rosso and Vine Starr, we held back a little extra from each to make one more fun and refreshing red. All varieties were fermented in stainless steel tanks, pressed and then aged in a mixture of stainless steel tank, concrete and neutral French oak barrique before the final blend. Enjoy with a slight chill or at cellar temp.

FUN FACT: Our first Got Grapes Red was a Trousseau and Zinfandel blend in 2017.

VARIETIES: 35% Barbera | 32% Syrah | 23% Carignan | 10% Dolcetto

VINEYARD: CALIFORNIA

ALCOHOL: 12%

TOTAL PRODUCTION: 2,645 cases

Our goal in making wine is to bring out the natural expression of the grape. We use organically grown grapes and harvest early for healthier grapes that retain their good acidity. This often results in lower alcohol wines and the lower Brix (sugar content) at harvest, which allows for easier fermentations. All Broc wines are made using spontaneous fermentation, which means only native yeasts and bacteria that exist on the grapes are used to make the wine. We may add a minimal amount of sulphur at bottling depending on the year, wine and style. We never add sulphur during fermentation and aging.
