

2023 FOX HILL ARNEIS

THE STORY: An intriguing medium-bodied white with humble aromatics, we're excited to unleash this tantalizing Italian white! Arneis grows well at Fox Hill, our vineyard in Mendocino County, where hot beaming days echo the grape's native homeland of Piedmont in Northern Italy. We harvested the Arneis in mid-September and kept vinification simple. The grapes saw a light footstomp and then headed directly to the press. We fermented the Arneis and aged in stainless tank for 7 months. Refreshing with good-natured acidity, the Arneis will pair well with delicate sea food, prosciutto, or hearty citrus-y salads.

FUN FACT: Arneis means "Little Rascal" in Piemontese.

VARIETIES: 100% Arneis

LOCATION: Fox Hill Vineyard

FARMING PRACTICES: CCOF Certified Organic

ALCOHOL: 11% | Free SO2: 0 ppm | Total SO2: 0 ppm

TOTAL PRODUCTION: 260 cases

Brocc seeks to bring out the natural expression of the grape in our winemaking. We use organically grown grapes and harvest early for healthier grapes that retain acidity. This often results in lower alcohol wines and lower Brix (sugar content) at harvest, which allows for easier fermentations. All Brocc wines are made using spontaneous fermentation, which means only native yeasts and bacteria that exist on the grapes are used to make the wine. We add little to no sulphur at bottling depending on the year, wine and style.
