

STONES LEGACY

Icons Series

Montegrappa

“THE ROLLING STONES ARE TRULY THE GREATEST ROCK AND ROLL BAND IN THE WORLD AND ALWAYS WILL BE. THEY WERE THE FIRST AND THE LAST, AND NO ONE’S EVER DONE IT BETTER.”

Bob Dylan

Diamond anniversaries don't come along every day...least of all in rock and roll. Yet The Rolling Stones are no mere survivors: they are an institution that transcends stardom. After 60 years at the top, Montegrappa's Icons series salutes the greatest rock and roll band the world has ever known.

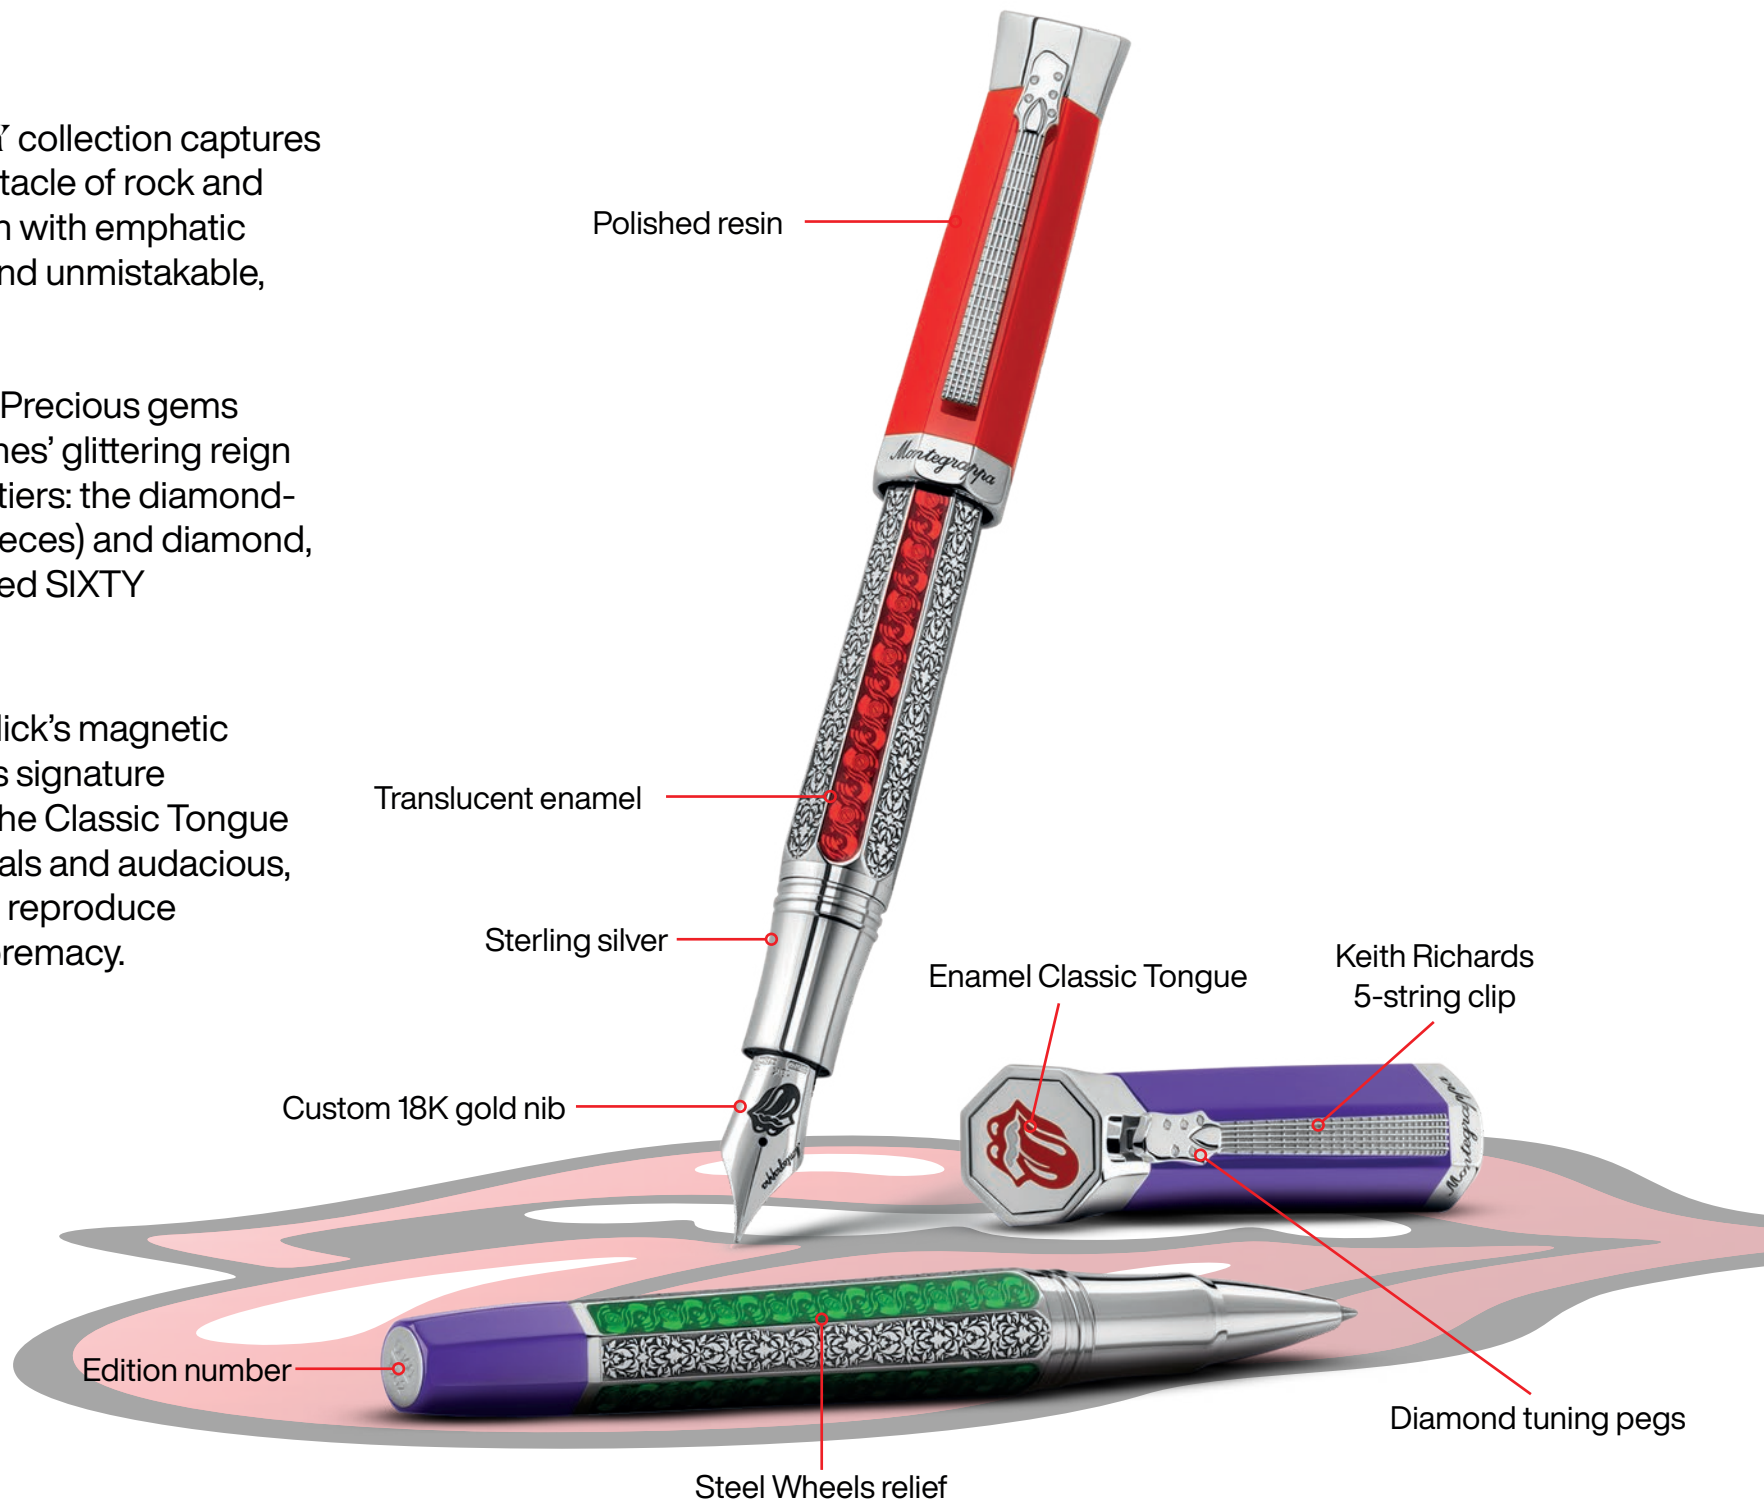

Virtuoso craftsmanship achieves rockstar presence on the Stones Legacy collection. On four special anniversary editions, diamonds, gems and precious metals honour the showmanship and songwriting genius that is – and will always be – The Rolling Stones. Pick the lick that rocks your world!

The **STONES LEGACY** collection captures and amplifies the spectacle of rock and roll's ultimate showmen with emphatic writing performance and unmistakable, high-flying style.

Stones for the Stones. Precious gems reflect The Rolling Stones' glittering reign on two limited-edition tiers: the diamond-studded 1962 (1,962 pieces) and diamond, gem and ruby-encrusted SIXTY (60 pieces).

Icons of rock royalty: Mick's magnetic stage presence; Keith's signature 5-string playing style; the Classic Tongue emblem. Precious metals and audacious, handcrafted flourishes reproduce symbols of Stones supremacy.
