Cronos Standing Lamp

Technical Specifications

Technical Specifications

Cronos Standing Lamp

Cronos is a natural rattan column, handwoven with bold, sculptural proportions. A versatile piece, Cronos has the ability to command the room as a decorative statement or can be used as a lampshade to create distinct geometric shadows, providing alternative dimensions in your space after dark. Cronos is one member of our family of sculptural rattan plinths and can be combined with Eclair, Ares, Aurea or Demeter for a bolder pairing.

The Cronos Standing Lamp, is also now available in three stunning new colorways — Burgundy, Dark Green, and Navy Blue. Renowned for its bold, architectural form, Cronos commands attention as a striking decorative piece, and these new shades add an extra layer of depth and sophistication to its already dynamic presence.
