not Pinot Noir."

## 2013 Cutruzzola Gloria San Luis Obispo County Pinot Noir

14.4% alc., pH 3.42, TA 0.59, 441 cases, \$40. 10% whole cluster, inoculated fermentation with Assmannhausen and RC212 yeasts. Aged 10 months in 100% French oak barrels, 30% new. • *Moderately light reddish purple color in the glass. Welcoming nose alive with scents of boysenberry, raspberry and a hint of herbs. Light to mid weight flavors of cherry, raspberry and boysenberry with a touch of spice and oak seasoning. Very pleasant on the palate, with a suede texture, good acid tension, finishing dry with a slight grip of tannin. Even better the following day from a previously opened and re-corked bottle. Score: 91.*
