

Our Favorite Scalp Masks and Hair Treatments to Try This Fall

Sometimes your hair needs a total refresh from its roots to tips, whether that means a [deep cleansing hair mask](#), or our favorite, a scalp treatment. Unlike traditional hair masks where you apply the product toward the ends of your hair, scalp masks are applied onto the delicate [scalp and roots](#) area. Ahead, we rounded up four of our favorite hair and scalp masks to help jump start your hair refresh.

Briogeo Scalp Revival

Scalp Revival is a must especially if you have a dry scalp. With charcoal and coconut oil, this soothing formula exfoliates and leaves your scalp feeling smooth, clean and hydrated.
