DELLA COLLECTION (above)

With a tip of the hat to classic teak outdoor furniture, the Della collection takes the classic teak category to a new level of comfort and practicality. The essence of traditional heavy and uncomfortable teak chairs of old are morphed into a classic, yet light and comfortable design.

RONIN ELEMENTS ALU

The Ronin Elements ALU collection includes tables that feature gorgeously wide 8" teak slats and oversized aluminum framed legs which complement the simple, clean lines of our Ronin chairs. Our Ronin tables are available in multiple sizes including an extension table for larger parties.

JOSIE

The Josie chair which features a man-made wicker seat and a sturdy stainless steel reinforced teak frame, allows for a comfortable sit without the use of cushions. As with any teak wood piece, if left untreated it will weather to a natural silver-grey patina.
