LET'S MEASURE YOUR RING SIZE

STEP 1

Scale this pdf to 100% and print it on A4 size paper
(297x210mm)

STEP 2

Measure the below line to ensure the ring sizer has
printed true-to-scale. It should measure 80 mm

METHOD 1 - USE YOUR CURRENT RING

- 1.) Align your ring with the below template
- 2.) The circle that matches with the inner dimensions
of your ring will reveal your perfect size

METHOD 2 - USE OUR RING SIZER

- 1.) Cut out the ring sizer and make a slot where indicated
- 2.) Wrap sizer around your finger, just above knuckle, and
pull the end through the slot until it's a comfortable fit
- 3.) The letter to which arrow is pointing to is your size
