ISOMAT Color SYSTEM

In this brochure, our dynamic team of decorators is proposing the most contemporary and trendy color combinations. Browse through its pages and find out how you can transform your living spaces.

1

1. Choose the colors you like from the hundreds of hues available in ISOMAT COLOR SYSTEM.

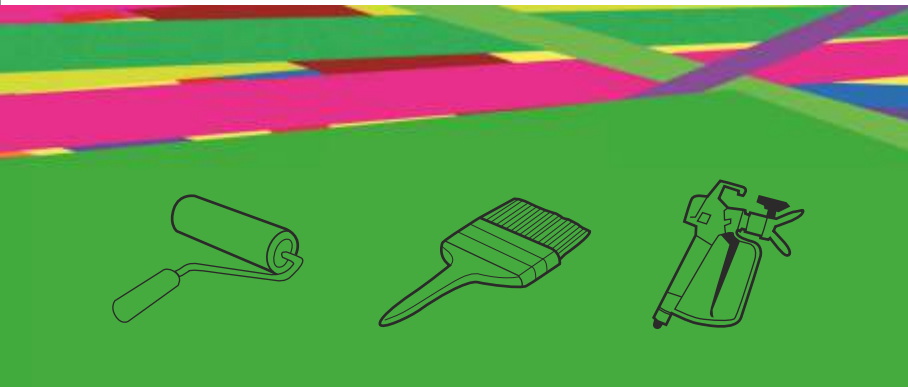

2

2. Protect the furniture and get started! Apply masking tape along the surfaces you don't want to paint. Dip your roller into the paint and start transforming the space! Remove the masking tape after finishing with the painting work.

change your life
by adding more
COLOR!

You will need:

1. Masking Tape
2. Roller, brush or airless spray
3. Positive attitude and imagination

3

3. You cannot be a good painter without the right materials! ISOMAT paints are easily applied, have maximum coverage, dry quickly and provide an excellent result.

4

4. Have fun! It is nice to feel that you have renovated your space on your own. ISOMAT COLOR SYSTEM will also ensure the desired long lasting result.
