

# High Yield LED Grow Light

## SPECIFICATIONS

Power System:	New Driver-Less Technology
Eco-Friendly Standard:	No Toxic Heavy Metals
Operating Voltage:	220-260 V
Operating Frequency:	60 Hz
Rated Power:	1000 W
Wavelength:	380-840 nm
Operating Temperature:	0-104°F
Storage Temperature:	-25-176°F

## FEATURES

- Eco-Friendly «
- 3 Year Warranty «
- High Efficiency «
- Extended Product Life «
- Revolutionary Driver-Less LED Technology «
- Ideal for Greenhouse and Indoor Growing «
