## CAR & TRUCK DETAILING

### AUTOMATIC CARWASH CHEMICALS

**FORMULA ONE** - Automated car wash cleaner degreaser

**FORMULA TWO** - Automatic carwash treatment

### TRUCK WASHES

#### *Heavy Duty Multi Purpose Cleaners*

**PREDATOR** - Heavy duty alkaline detergent

**TEE-GOLD** - Heavy duty liquid cleaner

**FLEET CLEAN** - Medium duty no streak

#### *Red Dust Specialist Cleaners*

**AC580** - Acid detergent for red dust removal

**MARINERS MATE EXTRA**

#### *Quick Break Cleaner*

**ECO BREAK** - Quick break degreaser / cleaner

### CAR WASHES

**GLISTEN** - Shampoo with shining agent

**WASH AND WAX** - Shampoo with carnubra wax

### RUST & RED DIRT

**AC580** - Acid detergent for red dust removal

**MARINERS MATE - EXTRA**

### METAL TREATMENTS

**ALUMINIUM BRIGHTENER** – Acid detergent

**SANVERT** – Rust converter & primer

**ENGINE LACQUER**

### TYRES & RIM CARE

**PREDATOR** – Brake dust Remover

**TYRE BLACK** – Tyre blackners

**TYRE GLOSS** – Silicon & Glycerine based

**TYRE LUBE** - Tyre mounting gel

### AIR FRESHNERS

**TERMINATE** - Sanitising odorant liquid

**FRESH TALC** - Air freshener

## ENGINES & WORKSHOP

### WATERBASED DEGREASERS

**ECO BREAK** - Quick break water based degreaser

**MARINER** - Degreaser sanitiser

**TRIPLE 2** - Degreasing & cleaning fluid

### HYDROCARBON DEGREASERS

**ELECTRICAL SAFETY SOLVENT**

**HEAVY DUTY SOLVENT DEGREASER** - AC603

**KEROSENE DEODERISED** – Fragranced kerosene

**MINERAL TURPS** - AC822

**ULTRA ORANGE OIL** - SC912

### COOLANTS & TREATMENTS

**AQUA GUARD** - Coolant concentrate

**DISTILLED WATER** - AC305

**GRAFFITI REMOVER**

### SOAK BATH CHEMICALS

**CAUSTIC SODA** - AC291

**SOLVENT DECARBONISER**

**ALKALINE DECARBONISER**

### CUTTERS, POLISHES & PROTECTANTS

**WASH AND WAX** – One shot cleaner & waxer

**MAX CUTTING** – Cutting compound

**AUTOSHIELD** - Silicon polish

### GLASS & CHROME

**CLEARVIEW** - Glass & chrome cleaner

**CRYSTAL** - Glass & stainless steel cleaner

### CARPET & VINYL

**CARPET CARE** - Low foaming carpet cleaner

**CARPET PRESpray**

**SHIELD & SHINE** - Silicon polish & protectant

**DILUTION STATIONS**

**BLEND CENTRE**

**FOAMING UNITS**

**CONSUMABLES**

## CONSIDER EARTHCARE

PRODUCT	SHORT DESCRIPTION
<b>AC580</b>	AC580 is a detergent blend of acids formulated for cleaning & brightening of aluminium & stainless steel. removes rail & iron ore dust from vehicles & machinery & is an excellent cleaner of bore water stains. Contains HF - Do not use on glass windscreens. Available in: 5L, 15L, 25L & 205L
<b>ACID CLEAN</b>	ACID CLEAN - AC506 is an organic acid-based product incorporating special surfactants for cleaning alloy motors & wheels. AC506 is also suitable for cleaning bore water stains from terrazzo & concrete. Available in: 5L, 15L, 25L & 205L
<b>ACTIVE PLUS</b>	ACTIVE PLUS is a general purpose HD cleaner, combining a high level of detergency & solvency in one product. ACTIVE PLUS is ideal for cleaning of vehicles, engines, floors, walls & equipment. Available in: 5L, 15L, 25L & 205L
<b>ALUMINIUM BRIGHTENER</b>	ALUMINIUM BRIGHTENER (AC580) is a detergent blend of acids formulated for cleaning & brightening of aluminium & stainless steel. This product also effectively removes rail & iron ore dust from vehicles & machinery, & is an excellent cleaner of bore water stains. Available in: 5L, 15L, 25L & 205L
<b>ANTIFOAM</b>	ANTIFOAM is a de-foaming agent concentrate suitable for most foam suppressing applications in interceptors, car wash machines & most applications where foam suppression is required. Can be added to most Able Westchem products to reduce foaming. Available in: 5L & 25L drums.
<b>AQUA GUARD</b>	AQUA GUARD - AC399 is a concentrated engine coolant & radiator inhibitor. 25mls makes 1 litre of coolant with distilled water. Product is ideal for extended protection of copper, solder, brass, cast iron & aluminium radiator systems. Available in: 5L, 15L & 205L Drums.
<b>AUTOSHIELD</b>	AUTO SHIELD is a liquid silicon emulsion polish designed to restore vinyl, plastic, leather & some wood grains to a new look. AUTO SHIELD leaves a thin film behind which seals & protects the surface from deterioration while revitalizing it. AUTO SHIELD does not contain harmful solvents & is safe to use on all hard surfaces. Available in: 5L, 15L & 25L
<b>CARPET CARE</b>	CARPET CARE low foaming carpet cleaner is a green apple fragranced, low foaming detergent with excellent wetting & cleaning properties. It is suitable for water extraction cleaning & spot cleaning for all synthetic & woollen carpets. Available in: 5L, 15L & 25L. (Earthcare)
<b>CAUSTIC SODA</b>	CAUSTIC SODA - AC291 otherwise known as sodium hydroxide is a alkaline powder used to dissolve grease, oils, & fats. Product is also used to clean & etch aluminium. Available in: 5Kg & 20Kg pails or 25Kg bags.
<b>CITRAGEL</b>	CITRA-GEL is a ready-to-use heavy duty hand cleaner that uses as special blend of biodegradable surfactants, emollients, orange oils & grit. Available in: 1L x 8, 5L, 15L & 25L (Earthcare)
<b>CLEARVIEW</b>	CLEARVIEW is a concentrated cleaner for glass & chrome surfaces. CLEARVIEW will remove dirt & grime quickly, leaving a sparkling film-free surface. Dilute up to 1:7 with water. Available in: 5L, 15L & 25L
<b>CRYSTAL</b>	CRYSTAL is suitable for use on windows, windscreens, mirrors, chrome work & stainless steel. This product will not harm tinting. Available in: 5L, 15L, 25L & 205L (Earthcare)
<b>DEGREASER CONCENTRATE</b>	DEGREASER CONCENTRATE is a concentrated degreaser suitable for all heavy duty degreasing operations, particularly earth moving & transport equipment. This product can be diluted 6:1 with white spirits for degreasing economy. Available in: 5L & 20L
<b>DISTILLED WATER</b>	DISTILLED WATER - AC305 is very soft water used commonly for diluting concentrates such as glass cleaners & radiator coolant concentrates. Available in: 5L, 15L, 25L, 205L & 1000L Drums.
<b>ECO BREAK</b>	ECO BREAK is a quick break degreaser. Suitable for use in truck washes, car washes, workshops & mine sites. Available in: 5L, 15L, 25L & 205L. (EARTHCARE)
<b>ELECTRICAL SAFETY SOLVENT</b>	ELECTRICAL SAFETY SOLVENT is a concentrated solvent cleaner for degreasing electrical equipment & metal parts. This product will leave no residue & can be used to remove oils, grease, resins, soils, etc. ELECTRICAL SAFETY SOLVENT has a relatively high flash point & is non-corrosive & non-conductive. Available in: 5L, 20L & 200L
<b>ENGINE LACQUER</b>	ENGINE LACQUER is a clear epoxy resin designed to protect & shine engines.
<b>FLEET CLEAN</b>	FLEET CLEAN has been specifically formulated to remove traffic film, road grime & grease from a wide range of surfaces. It rinses freely, leaving a clean, streak-free surface. FLEET CLEAN is safe to use on all washable materials. It contains no harsh chemicals or solvents & will not harm aluminium, paint or rubber. Available in: 5L, 15L, 25L & 205L

# AUTOMOTIVE & WORKSHOP

**Able**  
WESTCHEM  
Earth Care

<b>FORMULA ONE</b>	FORMULA ONE is a highly active heavy duty water based liquid detergent with high foaming & degreasing properties. Designed to use in the first stage of automated carwash cycle FORMULA ONE will remove grease, oil, road film & heavy soils from vehicles with ease. Available in: 5L, 15L, 205L & 1000L. (Earthcare)
<b>FORMULA TWO</b>	FORMULA TWO is an environmentally responsible cleaning & softening agent designed to remove excess FORMULA ONE & remaining road residue whilst imparting an important ant-static layer to prime surfaces for the use of FORMULA THREE in the final stage of most automatic car washing systems. Available in: 5L, 15L, 205L & 1000L. (Earthcare)
<b>FRESH TALC</b>	FRESH TALC is an air freshener spray with a pleasant long lasting floral perfume. Available in: 15L, 25L & 205L. (Earthcare)
<b>GLISTEN</b>	GLISTEN is a multi-purpose car shampoo cleaner suitable for vehicle & truck washing. GLISTEN does not contain harsh alkalis or solvents & will not affect paintwork or polishes. The special formulation rinses freely, leaving a clean & streak-free surface that glistens. GLISTEN is also great on floors. Available in: 5L, 15L & 25L. (Earthcare)
<b>GRAFFITI REMOVER</b>	GRAFFITI REMOVER - is a solvent designed for the removal of a variety of coatings & residues from plastic, glass & painted surfaces. GRAFFITI REMOVER will remove pen, texter, marker pen, artliner, permanent pen from glass, from plastic & painted surfaces without undue damage to the underlying surface. Available in: 5L & 20
<b>HEAVY DUTY SOLVENT DEGREASER</b>	HEAVY DUTY SOLVENT DEGREASER - AC603 is a heavy duty hydrocarbon emulsifying solvent cleaner for removing heavy contamination of oil & grease. Use with confidence on most surfaces. Available in: 20L & 205L
<b>KEROSENE DEODERISED</b>	KEROSENE DEODERISED is a mild fragrance general purpose solvent. Available in: 5L, 20L & 200L Drums.
<b>LIQUID CAUSTIC 50%</b>	LIQUID CAUSTIC is used for controlling pH in a variety of processes & industries Available in: 5L, 25L & 205L
<b>MARINER</b>	MARINER is recommended for cleaning & degreasing applications where sanitising is required. Ideal for concrete floors, aluminium truck bodies & engine degreasing. MARINER emulsifies grease & oils spontaneously, even in very hard water or seawater. AQIS approved. Available in: 5L, 15L, 25L & 205L
<b>MAX CUTTING</b>	MAX CUTTING – Cutting compound is a buffing compound used to cut faded paintwork back.
<b>MINERAL TURPS</b>	MINERAL TURPS - AC822 is a general purpose hydrocarbon solvent used to degrease hydrocarbons such as oils & paints. Product commonly used to dilute our degreaser concentrates for economy. Available in: 5L & 20L Drums
<b>MULTIKLEEN</b>	MULTIKLEEN is a general purpose liquid detergent that is ideal for businesses on a budget. This green coloured liquid is a balanced blend of anionic surfactants formulated to provide optimum detergency in both soft & hard water conditions. MULTIKLEEN is safe to use on most surfaces. Available in: 8x1L, 5L, 15L, 205L & 1000L
<b>MULTISAFE</b>	MULTISAFE is a powerful orange based environmentally responsible cleaner concentrate. MULTI-SAFE does not contain; phosphates, caustic, chlorine or fillers. MULTI-SAFE is an all in one product designed to be on the inventory of every establishment that requires a safe & efficient all purpose cleaning solution. The product can remove grease, oils, grime, wax, carbon deposits, ink dyes, gum, pencil, crayon marks, animal fats, vegetable solid & soap residues. Available in: 8x1L, 5L, 15L, 25L, 205L & 1000L
<b>POWER PLUS</b>	POWER PLUS is a concentrated heavy duty detergent powder for the removal of grease, fat & heavy soils from floors. POWER PLUS possesses excellent wetting & dispersing properties to quickly soften & loosen contamination. It is formulated to emulsify the soil & hold it in suspension without risk of re-deposition onto the cleansed surface. POWER PLUS has a pleasant pine fragrance which deodorises cleansed areas. POWER PLUS is safe to use on aluminium, tin, zinc & galvanised metals. Available in: 5KG, 10KG, 20KG, 205KG
<b>PREDATOR</b>	PREDATOR is a heavy duty alkaline detergent formulated for quick & easy removal of fats, starches, proteinaceous soils, dirt, grime, grease & oils from most surfaces. Available in: 5L, 15L, 25L, 205L & 1000L.
<b>RIG &amp; SHIP WASH</b>	RIG & SHIP WASH – Non Caustic orange based cleaner does not contain harsh solvent, phosphates, caustic lye, chlorine & is septic & sewerage system safe. Removes grease, oil & heavy soils from most hard surfaces. Available in: 5L, 15L, 25L, 205L & 1000L. (Earthcare)
<b>RIMTREAT &amp; SEAL</b>	RIMTREAT & SEAL is designed as a tyre sealant that provides good corrosion protection over long periods without masking cracks or fissures. RIMTREAT & SEAL contains special blend of anti corrosion ingredients & anti oxidants to provide protection to all types of metal. There are polymers incorporated into the formulation to improve the rim seal & hence tyre pressure retention & eliminate long term tyre / rim weld problems. Available in: 5L, 25L, 205L & 1000L

<b>SHIELD &amp; SHINE</b>	SHIELD & SHINE is a liquid silicon emulsion polish designed to restore vinyl, plastic, tyres, leather & some wood grains to a new look. SHIELD & SHINE does not contain harmful solvents & is safe to use on most hard surfaces. Available in: 5L, 15L & 25L. (Earthcare)
<b>SOLVENT DECARBONISER</b>	SOLVENT DECARBONISER - Diphase Solvent cleaner is ideal for use to decarbonise carburettors, automotive engine parts, gears etc where they can be readily left immersed in a solvent bath. Will remove carbon, resin, paint, varnish, oils & grease from ferrous metals & alloys. Aluminium, Zinc & other such amphoteric metals are not affected. Available in: 20L & 200L Drums.
<b>SPRAY &amp; WIPE</b>	SPRAY & WIPE is a liquid general purpose cleaner, ideal for maintenance use. Dirt, grease & grime are quickly removed without tedious scrubbing. Available in: 8x750mL, 5L, 15L & 25L. (Earthcare)
<b>SUPERSHINE</b>	SUPERSHINE tyre & vinyl gloss is a solvent-based silicon polish designed for the car detailing industry to restore a new look to tyres as well as vinyl & rubber parts. SUPERSHINE works by penetrating into the surface, sealing & protecting it while imparting an excellent high gloss finish. Super Shine can retain its brilliant appearance for weeks. Available in: 5L & 20L
<b>TEE-GOLD</b>	TEE-GOLD is a multi-purpose heavy duty cleaner suitable for a wide range of industrial cleaning applications including heavy truck fleets & mining & oilfield equipment. TEE-GOLD is safe for the cleaning of machinery, floors & hard surfaces. Can also be used in conjunction with laundry powder to wash personal items in washing machines. Available in: 5L, 15L, 25L & 205L
<b>TERMINATE</b>	TERMINATE is a disinfectant spray with broad spectrum odour control capabilities. Unlike normal air fresheners, TERMINATE does not simply mask the odour; it neutralizes the odour at the source & replaces it with a pleasant long lasting perfume. Available in: 8x750mL, 5L, 15L & 25L
<b>TITAN</b>	TITAN is a heavy duty powdered cleaner for the efficient removal of grease, oil, heavy fat & protein contamination. Especially good on floors. Available in: 5KG, 20KG & 25KG
<b>TRIPLE 2</b>	TRIPLE 2 is a water based cleaner / degreaser used for the removal of heavy grease & soils that build up on engines, equipment & painted surfaces. Available in: 5L, 15L, 25L & 205L
<b>TYRE BLACK</b>	TYRE BLACK - SC1070 is a water based tyre blackener & rejuvenator. Available in: 5L & 15L Drums.
<b>TYRE GLOSS</b>	TYRE GLOSS - SC1080 is a budget tyre gloss that does not contain silicone. For longer lasting shine use SUPERSHINE. Available in: 5L, 15L & 25L Drums.
<b>TYRE LUBE</b>	TYRE LUBE is a soap-based lubricant specially formulated for aiding in the installation of car & truck tyres. TYRE LUBE is completely biodegradable & will not harm the tyre or rim. Available in: 10KG & 20KG
<b>ULTRA ORANGE OIL</b>	ULTRA ORANGE OIL - SC912 is a heavy duty natural solvent derived from orange peel via mechanical extraction & distillation. This product is a renewable alternative to petroleum hydrocarbon degreasers. Used commonly for general degreasing, graffiti removal (pens & texter), floor cleaning, carpet stain removal, car detailing, as a chewing gum softener & degreasing of electrical equipment & circuit boards. Available in: 5L & 20L Drums.
<b>WASH &amp; WAX</b>	WASH & WAX is a universal cleaning & polishing agent. Its regular use will prolong the life of any painted surface and eliminates dull, faded appearances. Ideal for commercial use. Available in: 5L, 15L & 25L. (Earthcare)

**ALSO AVAILABLE: Chamois & Cloths - Brooms & Brushes - Gloves & Hand Towels - Toilet Paper & Roll Towels - Sponges & Scourers - Taps, Bottles & Drums - Staff Training - Wall Charts & MSDS – Foamers & Dilution Station.**

<b>GRAFFITI REMOVER</b>	GRAFFITI REMOVER - is a solvent designed for the removal of a variety of coatings & residues from plastic, glass & painted surfaces. GRAFFITI REMOVER will remove pen, texter, marker pen, artliner, permanent pen from glass, from plastic & painted surfaces without undue damage to the underlying surface. Available in: 5L & 20
<b>HEAVY DUTY SOLVENT DEGREASER</b>	HEAVY DUTY SOLVENT DEGREASER - AC603 is a heavy duty hydrocarbon emulsifying solvent cleaner for removing heavy contamination of oil & grease. Use with confidence on most surfaces. Available in: 20L & 205L
<b>KEROSENE DEODERISED</b>	KEROSENE DEODERISED is a mild fragrance general purpose solvent. Available in: 5L, 20L & 200L Drums.
<b>LIQUID CAUSTIC 50%</b>	LIQUID CAUSTIC is used for controlling pH in a variety of processes & industries Available in: 5L, 25L & 205L
<b>MARINER</b>	MARINER is recommended for cleaning & degreasing applications where sanitising is required. Ideal for concrete floors, aluminium truck bodies & engine degreasing. MARINER emulsifies grease & oils spontaneously, even in very hard water or seawater. AQIS approved. Available in: 5L, 15L, 25L & 205L
<b>MAX CUTTING</b>	MAX CUTTING – Cutting compound is a buffing compound used to cut faded paintwork back.
<b>MINERAL TURPS</b>	MINERAL TURPS - AC822 is a general purpose hydrocarbon solvent used to degrease hydrocarbons such as oils & paints. Product commonly used to dilute our degreaser concentrates for economy. Available in: 5L & 20L Drums
<b>MULTIKLEEN</b>	MULTIKLEEN is a general purpose liquid detergent that is ideal for businesses on a budget. This green coloured liquid is a balanced blend of anionic surfactants formulated to provide optimum detergency in both soft & hard water conditions. MULTIKLEEN is safe to use on most surfaces. Available in: 8x1L, 5L, 15L, 205L & 1000L
<b>MULTISAFE</b>	MULTISAFE is a powerful orange based environmentally responsible cleaner concentrate. MULTI-SAFE does not contain; phosphates, caustic, chlorine or fillers. MULTI-SAFE is an all in one product designed to be on the inventory of every establishment that requires a safe & efficient all purpose cleaning solution. The product can remove grease, oils, grime, wax, carbon deposits, ink dyes, gum, pencil, crayon marks, animal fats, vegetable solid & soap residues. Available in: 8x1L, 5L, 15L, 25L, 205L & 1000L
<b>POWER PLUS</b>	POWER PLUS is a concentrated heavy duty detergent powder for the removal of grease, fat & heavy soils from floors. POWER PLUS possesses excellent wetting & dispersing properties to quickly soften & loosen contamination. It is formulated to emulsify the soil & hold it in suspension without risk of re-deposition onto the cleansed surface. POWER PLUS has a pleasant pine fragrance which deodorises cleansed areas. POWER PLUS is safe to use on aluminium, tin, zinc & galvanised metals. Available in: 5KG, 10KG, 20KG, 205KG
<b>PREDATOR</b>	PREDATOR is a heavy duty alkaline detergent formulated for quick & easy removal of fats, starches, proteinaceous soils, dirt, grime, grease & oils from most surfaces. Available in: 5L, 15L, 25L, 205L & 1000L.
<b>RIG &amp; SHIP WASH</b>	RIG & SHIP WASH – Non Caustic orange based cleaner does not contain harsh solvent, phosphates, caustic lye, chlorine & is septic & sewerage system safe. Removes grease, oil & heavy soils from most hard surfaces. Available in: 5L, 15L, 25L, 205L & 1000L. (Earthcare)
<b>RIMTREAT &amp; SEAL</b>	RIMTREAT & SEAL is designed as a tyre sealant that provides good corrosion protection over long periods without masking cracks or fissures. RIMTREAT & SEAL contains special blend of anti corrosion ingredients & anti oxidants to provide protection to all types of metal. There are polymers incorporated into the formulation to improve the rim seal & hence tyre pressure retention & eliminate long term tyre / rim weld problems. Available in: 5L, 25L, 205L & 1000L

# AUTOMOTIVE & WORKSHOP

**Able**  
WESTCHEM  
*Earth Care*

<b>SHIELD &amp; SHINE</b>	SHIELD & SHINE is a liquid silicon emulsion polish designed to restore vinyl, plastic, tyres, leather & some wood grains to a new look. SHIELD & SHINE does not contain harmful solvents & is safe to use on most hard surfaces. Available in: 5L, 15L & 25L. (Earthcare)
<b>SOLVENT DECARBONISER</b>	SOLVENT DECARBONISER - Diphase Solvent cleaner is ideal for use to decarbonise carburettors, automotive engine parts, gears etc where they can be readily left immersed in a solvent bath. Will remove carbon, resin, paint, varnish, oils & grease from ferrous metals & alloys. Aluminium, Zinc & other such amphoteric metals are not affected. Available in: 20L & 200L Drums.
<b>SPRAY &amp; WIPE</b>	SPRAY & WIPE is a liquid general purpose cleaner, ideal for maintenance use. Dirt, grease & grime are quickly removed without tedious scrubbing. Available in: 8x750mL, 5L, 15L & 25L. (Earthcare)
<b>SUPERSHINE</b>	SUPERSHINE tyre & vinyl gloss is a solvent-based silicon polish designed for the car detailing industry to restore a new look to tyres as well as vinyl & rubber parts. SUPERSHINE works by penetrating into the surface, sealing & protecting it while imparting an excellent high gloss finish. Super Shine can retain its brilliant appearance for weeks. Available in: 5L & 20L
<b>TEE-GOLD</b>	TEE-GOLD is a multi-purpose heavy duty cleaner suitable for a wide range of industrial cleaning applications including heavy truck fleets & mining & oilfield equipment. TEE-GOLD is safe for the cleaning of machinery, floors & hard surfaces. Can also be used in conjunction with laundry powder to wash personal items in washing machines. Available in: 5L, 15L, 25L & 205L
<b>TERMINATE</b>	TERMINATE is a disinfectant spray with broad spectrum odour control capabilities. Unlike normal air fresheners, TERMINATE does not simply mask the odour; it neutralizes the odour at the source & replaces it with a pleasant long lasting perfume. Available in: 8x750mL, 5L, 15L & 25L
<b>TITAN</b>	TITAN is a heavy duty powdered cleaner for the efficient removal of grease, oil, heavy fat & protein contamination. Especially good on floors. Available in: 5KG, 20KG & 25KG
<b>TRIPLE 2</b>	TRIPLE 2 is a water based cleaner / degreaser used for the removal of heavy grease & soils that build up on engines, equipment & painted surfaces. Available in: 5L, 15L, 25L & 205L
<b>TYRE BLACK</b>	TYRE BLACK - SC1070 is a water based tyre blackener & rejuvenator. Available in: 5L & 15L Drums.
<b>TYRE GLOSS</b>	TYRE GLOSS - SC1080 is a budget tyre gloss that does not contain silicone. For longer lasting shine use SUPERSHINE. Available in: 5L, 15L & 25L Drums.
<b>TYRE LUBE</b>	TYRE LUBE is a soap-based lubricant specially formulated for aiding in the installation of car & truck tyres. TYRE LUBE is completely biodegradable & will not harm the tyre or rim. Available in: 10KG & 20KG
<b>ULTRA ORANGE OIL</b>	ULTRA ORANGE OIL - SC912 is a heavy duty natural solvent derived from orange peel via mechanical extraction & distillation. This product is a renewable alternative to petroleum hydrocarbon degreasers. Used commonly for general degreasing, graffiti removal (pens & texter), floor cleaning, carpet stain removal, car detailing, as a chewing gum softener & degreasing of electrical equipment & circuit boards. Available in: 5L & 20L Drums.
<b>WASH &amp; WAX</b>	WASH & WAX is a universal cleaning & polishing agent. Its regular use will prolong the life of any painted surface and eliminates dull, faded appearances. Ideal for commercial use. Available in: 5L, 15L & 25L. (Earthcare)

**ALSO AVAILABLE: Chamois & Cloths - Brooms & Brushes - Gloves & Hand Towels - Toilet Paper & Roll Towels - Sponges & Scourers - Taps, Bottles & Drums - Staff Training - Wall Charts & MSDS – Foamers & Dilution Station.**
