AUTOMATIC DISHWASHING CHEMICALS

LIQUIDS

SUPERJET – Biodegradable machine detergent. Class: 8
SUPERJET PLUS – Twice concentrated SUPERJET. Class: 8
DRY & SHINE - Rinse aid. Alcohol based – biodegradable
SANI-DRY - Rinse aid with sanitiser. Alcohol based.
POTWASH - Machine dish liquid for Aluminium. Class: 8
CRATE WASH - Machine washing liquid. Class: 8
SPARKLE - Glassware machine detergent & rinse aid

POWDERS

DISH CARE – Phosphate & Chlorine free machine dishwashing powder
CHLORMATIC – Chlorinated machine dishwashing powder
DISH EX - Machine dishwashing powder (Finish type)

HAND DISHWASHING CHEMICALS

LIQUIDS

PREMIUM - Dish washing detergent (thick)
PRIME – Dish washing detergent (thin)
SUNGOLD – Dish washing detergent (twice concentrated)
ACTIVE PLUS - Heavy duty GP detergent
MULTIKLEEN – Regular duty GP detergent

POWDERS

RESULT - Powdered cleaning detergent
SANOCHLOR - Chlorine releasing cleaner
SWIFT - Combination cleaner powder
TRISOL - Bactericide cleaner

OVEN & GRILL CLEANERS

EXTRA – Super HD Oven & grill cleaner. AQIS. Class: 8
HIJAX - Destaining & scouring powder
OVEN CARE - Oven cleaner.
OVEN SAFE - Non caustic cleaner.

KITCHEN DEGREASERS

HERCULES - Heavy duty alkaline detergent cleaner
MARINER – HD alkaline degreaser with sanitiser
PREDATOR – Super heavy duty alkaline detergent cleaner
TRIPLE 2 - Degreasing & cleaning fluid - AQIS
EXTRA - Oven & grill cleaner

GENERAL & RESTROOM CLEANERS

CLEARVIEW - Glass & chrome cleaner concentrate
CRYSTAL - Glass & stainless steel cleaner
DEODORANT BLOCKS - Vanilla urinal cakes
LIQUID BEERLINE CLEANER
MARAZYME – Biological cleaning agent
MARAZYME-DESCALER - Biological descaler
MARINERS MATE - Mild natural acid cleaner / disinfectant
SCALEAWAY - Lime, scale & rust remover
SPRAY & WIPE - Multi purpose cleaner
TORNADO - Toilet cleaner & descaler
ZIPP - Crème cleanser

HAND CARE

MANDELL - Anti-bac perfumed hand cleaner
SAVON - Fragrance free hand cleaner
HAND CLEANSER - Soap free & food safe

FLOOR CARE

APOLLO - Neutral floor cleaner
MARINER – Degreaser, cleaner & sanitiser
SOLID STEP - Floor sealer & polish
SUPA STRIP - Floor stripper
WASH AND WAX - Floor cleaner & polish

DISINFECTANT CLEANERS & SANITISERS

CHLORINATED

TRISOL - Bactericide cleaner
COMET - Chlorinated sanitiser & destainer
HIJAX - Destaining & scouring powder
SANOCHLOR - Chlorine releasing cleaner
SWIFT - Combination cleaner powder
SODIUM HYPOCHLORITE - Commercial bleach
CHLOR KLEEN - Chlorine releasing detergent disinfectant
LIQUID BLEACH - 4% Sodium hypochlorite
TITAN - Heavy duty cleaning powder

NON-CHLORINATED

Q-SAN - No rinse sanitiser
WESTGUARD - Cleaner & disinfectant
MARINER – Degreaser, cleaner & sanitiser
MARINERS MATE - Acid disinfectant
SANOLEMON - Disinfectant cleaner
SANOPINE – Disinfectant cleaner
ZONE FRESH – Floral disinfectant

CHEMICAL DISPENSERS

DISHWASHING DISPENSERS

NITRO – Dtg & rinse dispenser
UMP DIGITAL – Detergent & rinse pump

HAND DISHWASHING DISPENSERS

DISPENSER 302 - Hand pump
DISPENSER 167 - Tap proportioner

BLEND STATIONS

BLEND CENTRE - Bottle fill / Bucket fill

SUNDRY

TOILET PAPER & TOWELS
SPONGES, CHUX & SCOURERS
GLASSES & SAFETY EQUIPMENT
MOPS, BROOMS & BRUSHES
BIN LINERS & GLOVES
STAFF TRAINING
MANAGED WALL CHARTS & MSDS
AQIS PRODUCTS

CONSIDER EARTHCARE

- ENVIRONMENTALLY RESPONSIBLE
- BIODEGRADABLE INGREDIENTS
- NATURAL VEGETABLE OILS, FATS & MINERALS
- LOW OR NO PHOSPHATES
- LOW OR NO TOXICITY
- NON DANGEROUS GOODS
- NON-HAZARDOUS OR LOW-HAZARD
- GREY WATER SAFE
- NO HARSH FUMES OR RESIDUES

PRODUCT	SHORT DESCRIPTION
APOLLO	APOLLO is a low foaming, neutral based detergent cleaner that possesses excellent cleaning power. Used most commonly as a floor cleaner it can also be used as a spray-on/wipe off cleaner. Apollo is safe to use in auto scrubbing machines & rinses freely leaving no visible residue for sparkling results. Available in: 5L, 15L & 25L
BIN LINERS	Are available in white, black & clear. All common sizes are available such as 36L 72L & 240L. Varying thicknesses are also available ranging from 10um to 75um. BIN LINERS are sold by the carton. There are typically in 1000, 500 or 250 bags in carton. See your sales representative or office for further details.
BLEND CENTRE	This versatile & robust dilution station comes in two models, 1) high volume – Bucket fill or 2) low volume – bottle fill. Choose the low volume model (bottle fill) for efficient filling of 750 ml & 1 litre bottles or the high output model (bucket fill) for sinks & buckets. Both models are compatible with each other & can be expanded to over 30 products from the same water source. No more over or under usage of chemical. More reliable than the cheaper multi dial stations. Sold or supplied individually. 
CHLOR KLEEN	CHLOR KLEEN is a semi viscous liquid used primarily as a toilet & general hard surface cleaner. CHLOR KLEEN possesses exceptional stain removal sanitisation characteristics and is effective even on highly contaminated surfaces. Use to combat both gram-negative & gram-positive bacteria as well as mould, fungi & algae. Available in: 750mL trigger packs (8 to ctn), 1L x 8 squeeze packs, and 5L, 25L & 205L bulk containers. EARTHCARE
CHLORMATIC	CHLORMATIC is a chlorinated machine dishwashing powder suitable for use in both commercial dishwashers in either soft or hard water. Available in: 5KG, 10KG & 20KG plastic pails. This product contains low levels of phosphates.
CHUX ROLLS	Available in Red, Blue & Green. Size 60cm x 30cm x 50 meters. Sold in cartons containing 4 rolls.
CLEARVIEW	CLEARVIEW is a concentrated cleaner for glass chrome surfaces. CLEARVIEW will remove dirt grime quickly, leaving a sparkling film-free surface. Dilute up to 1:7 with water. Available in: 5L, 15L & 25L
COMET (AQIS Approved)	COMET is a chlorine-based liquid detergent, sanitiser & destainer formulated for extensive use in food beverage processing areas such as kitchens, toilets, shower recesses, & laundries. This chemical is a must have for food beverage processors. Available in: 5L, 15L & 25L 
CRATE WASH (AQIS Approved)	CRATE WASH is a heavy duty, chlorinated, low foaming detergent that also contains softening agents. CRATE WASH possesses excellent cleaning power & easily removes all soils that are normally encountered on plastic crates or other food handling utensils. CRATE WASH is safe to use on plastic, mild steel, stainless steel glassware. Available in: 25L & 205L 
CRYSTAL	CRYSTAL is suitable for use on windows, windscreens, mirrors, chrome work stainless steel. Available in: 5L, 15L, 25L & 205L. EARTHCARE
DISPENSER 167	Automatic dispenser for manually dispensing dishwashing cleaning liquids into sinks basins. Simply screw onto tap the passing water draws dish liquid into passing stream. On & off switch for efficient filling rinsing. Mixing tap proportioner 167 can be adjusted to suit kitchen washing conditions. Model dema 167. Code: DISP/00010 
DISPENSER 302	Dispenser for manually dispensing dishwashing liquid into sinks basins & buckets. Push button type with internal bellows spring recoil. Not as popular as Bigshot model because Dema 302 dose is not variable. Easy to install & use. Slow recoil ensures excessive product is not used. Model: 302 hand pump - 25ml. Code: DISP/00011 
DEODORANT BLOCKS	DEODORANT BLOCKS are vanilla scented & are designed for use in toilet areas, urinals & bathrooms to give an excellent deodorising effect to discourage flies, insects & odours. Available in: 8KG pails containing 140 cube blocks (55 gram blocks) for excellent economy.
DISH CARE	DISH CARE is an environmentally responsible commercial dishwashing machine compound that is an economical & responsible alternative to the standard high alkaline powders liquids that can contain high levels of chelating agents, potassium. Phosphates and/or chlorine. DISH CARE is also grey water safe will not produce nasty chemical fumes or scale. Available in: 5KG, 10KG & 20KG Pales. EARTHCARE

DISHEX	DISHEX is a powerful machine dishwashing powder that is suitable for all types of commercial household dishwashers in both soft & hard water. DISHEX is a close substitute to "FINISH" Available in: 5KG, 10KG & 20KG pales
DRY & SHINE	DRY & SHINE is a pink coloured environmentally responsible machine dishwashing rinse aid. The use of this product will leave dishes, glassware and cutlery sparkling clean & streak free. The product is manufactured from natural ingredients which assist in the prevention of calcium deposit formation in dishwashing machines. DRY & SHINE is readily bio-degradable with no fillers or phosphates. Available in: 5L, 15L, 25L & 205L. EARTHCARE
EXTRA (AQIS Approved)	EXTRA is a heavy duty, highly alkaline liquid cleaner designed for cleaning floors & grease, baked on carbon & heat modified soils from ovens, grills & hood fryers. This product is safe to use on porcelain, enamel, stainless steel, nickel, chrome, glass & iron surfaces. EXTRA can also be used for pressure cleaning & as a floor stripper to safely remove most water based & metal link polishes. Available in: 5L, 15L & 25L
HAND CLEANSER	HAND CLEANSER is an environmentally responsible hand cleaning gel. HAND CLEANSER was originally developed for the health market & contains no caustics, lye, sodium laurel sulphate, colours or perfumes. This product can be used successfully on skins with eczema, psoriasis & dermatitis. Product is grey water safe. Available in: 18x375ML, 8x1L, 5L, 15L & 205L. EARTHCARE
HERCULES (AQIS Approved)	HERCULES is a heavy duty alkaline detergent formulated for quick easy removal of animal fats, starches, proteinaceous soils, dirt, grime, grease & oils from floors, walls & equipment. HERCULES is milder than PREDITOR and is safe to use on aluminium & other soft metals, as well as mild steel, stainless steel and most painted surfaces. Available in: 5L, 15L, 25L & 205L
HIJAX	HIJAX is a free flowing, non-caking powder which combines the powers of detergency, scouring, bleaching, brightening & antibacterial properties. HIJAX will effectively remove stains discolouration's from porcelain, stainless steel, copper, brass, aluminium, tiles & concrete floors. Available in: 5KG, 10KG & 20KG
LIQUID BEERLINE CLEANER	LIQUID BEERLINE CLEANER is a buffered alkali solution containing surfactants and sequestering agents that pulls residue build up from beer-lines into solution. LIQUID BEERLINE CLEANER has been formulated for ease of mixing and for its cleaning efficiency in beer line. The product can be used for cleaning beer-lines in any liquor outlet and is especially suited to automatic injection through a metering device. Available in: 5L & 25L
LIQUID BLEACH	LIQUID BLEACH is a chlorinated, cleaning, sanitising & de-staining compound. The product removes stains, whitens clothes, kills bacteria & also de-odorises. LIQUID BLEACH will also kill black green mould. Available in: 8 x 750mL, 8x1L, 5L, 15L, 25L, 205L & 1000L. EARTHCARE
MANDELL	MANDELL is a neutral liquid hand gel formulated with a bactericide & pleasant perfume. The product also contains emollients to minimise drying out of the skin on hands. MANDELL generates excellent lathering qualities in hard soft water rinses cleanly leaving a crisp clean experience. Available in: 18x375ML, 8x1L, 5L, 15L & 25L. EARTHCARE
MARAZYME	MARAZYME is a unique biological active liquid formulation containing specialised bacterial strains, biodegradable low foaming chemical cleaners & anti foam agents. MARAZYME is specifically formulated to replace aggressive toxic toilet cleaners that can disable the sewage treatment plant by killing the naturally occurring bacteria which are essential to its operation. Grease, fats, starch & other organic compounds are digested by MARAZYME. Available in: 8x1L, 5L & 15L. EARTHCARE
MARAZYME-DESCALER	MARAZYME-DESCALER is a mild acidic based powder formulated with enzymes & bacterial strains to effectively dissolve organic materials, hard water precipitates & uric acid scales. MARAZYME -DESCALER is designed to attack remove these deposits & will also assist the Able Westchem product MARAZYME- to digest greases, fats & oils commonly found in toilet systems. Drains, pipe work & grease traps are left clean effective after using the product on a regular basis. Available in: 5KG, 10KG & 20KG. EARTHCARE
MARINER (AQIS Approved)	MARINER is a premium quality industrial grade product that is unequalled in its cleaning & disinfecting efficiency. MARINER has been specially formulated for heavy duty cleaning degreasing in food processing industrial area. It is recommended for cleaning & sanitising concrete floors, food processing equipment, fishing boat decks, bilges, weathered aluminium truck bodies & engine degreasing. MARINER emulsifies grease oils spontaneously, even in very hard water or seawater. AQIS approved. Available in: 5L, 15L, 25L & 205L

Hospitality & Catering

TORNADO

TORNADO is an acidic detergent designed to thoroughly clean, disinfect, descale & deodorise toilet bowls, floors & adjacent areas in a single operation. It efficiently removes lime, rust, scale, uric encrustation, algae growth & other stains from under the toilet bowl rim & on urinal surfaces. TORNADO is safe to use on all stainless steel & porcelain urinals. Available in: 8x1L, 5L, 15L & 25L

TRIPLE 2

(AQIS Approved)

TRIPLE 2 is a water based cleaner & degreaser used for the removal of heavy grease soils that build up on engines, equipment & painted surfaces. Available in: 5L, 15L, 25L & 205L

TRISOL

(AQIS Approved)

TRISOL is a combined bactericide cleaner ideal for all disinfecting, bacteria control, de-staining & deodorising operations in hospitals, nursing homes, food preparation areas, toilets washrooms etc. Available in: 4KG, 10KG, 18KG & 25KG BAG

TURBO

(AQIS Approved)

TURBO is a concentrated low-foaming detergent specifically designed for use in floor scrubbing machines and hand mopping operations. Possessing exceptional cleaning power that cuts through grease, dirt and grime easily. TURBO rinses cleanly with no residue and is a very economical heavy duty floor cleaner. AQIS Approved. Available in: 5L, 15L, 25L & 250L

UMP DIGITAL

Perfect dispenser for automatically injecting controlled amounts of detergent & rinse aid into high use commercial dishwashing machines. This rinse & detergent feeder includes a rack counter, probe or probe-less option, injection points, mounting brackets, water proof construction, squeeze tubes, multi language options. Requires an electrician to install & an Able representative to calibrate & maintain. Code DISP/000190

WASH & WAX

WASH & WAX is a universal floor cleaning polishing agent. Its regular use in floor maintenance will prolong the life of any floor sealer finish or polish. The combined cleaning polishing action of WASH & WAX eliminates the dull, faded appearance of floors continually washed with detergents. Also excellent as a vehicle wash.

Available in: 5L, 15L & 25L,

WESTGUARD

(AQIS Approved)

WESTGUARD is a powerful, fast working combined cleaner & disinfectant that is safe on most washable surfaces. Its active sanitation is afforded by a relatively high level of quaternary ammonium compounds with broad spectrum bacterial range. WESTGUARD is accepted by the Australian Commonwealth Department of Primary Industry as a detergent / sanitiser for use in meat export establishments. Available in: 5L, 15L & 25L

ZIPP

ZIPP combines concentrated detergents with a mild abrasive medium to create a product with excellent power that is suitable for bench tops, stainless steel surfaces tiles areas or where hardened soils prove difficult to remove. ZIPP can be used as a substitute for the market leader JIFF. Available in: 8x1L, 5L & 25L

ZONE FRESH

ZONE FRESH is a concentrated liquid with excellent cleaning, disinfecting & sanitizing properties. It readily emulsifies the toughest soils & grease with minimum effort. The powerful disinfectant contained in ZONE FRESH ensures residual sanitation of cleansed surfaces. ZONE FRESH has a strong fragrance, leaving all areas smelling clean fresh for prolonged periods. This product is not recommended for use in kitchens as it contains a fragrance. Available in: 8x750mL, 5L, 15L & 25L

ALSO AVAILABLE: Chamois & Clothes - Brooms & Brushes - Gloves & Hand Towels - Toilet Paper & Roll Towels - Sponges & Scourers - Taps, Bottles & Drums - Staff Training - Wall Charts & MSDS – Foamers & Dilution Station.
