A Magical Adventure

AUTHOR
Ginny O'Donnell

When a talented group of people started Cottage Door Press in 2014, we could not have imagined the exciting opportunities that would arise from our hard work and commitment to quality and innovation.

Since the launch of our first 18 titles, we have carved out a respectable share of the children's market and are widely recognized for our novelty and sound book expertise and beautiful illustrations. We have worked with culturally relevant people and institutions, including Jane Goodall, John Deere, and the Smithsonian. We have partnered with exciting and beloved children's properties, including CoComelon, Daniel Tiger, and new this fall, Paw Patrol!

AUTHOR
Kevin Lewis

A new project this season is our first original picture book series, *Captain Clementine - Secret of the Star*. Authored by one of our founders, Ginny O'Donnell, and illustrated by Laura Brenlla, this introductory story takes you on a magical adventure with spunky sea captain, Clementine, and her adorable crew aboard their vessel the Star of the Sea. Filled with friendly mermaids and a mischievous gull, Clementine will delight audiences with its message of teamwork and friendship.

Brown Sugar Baby Christmas Joy is a follow-up to the Margaret Wise Brown award-winning *Brown Sugar Baby*, authored by Kevin Lewis, and illustrated by Jestenia Southerland. The newest title invokes the extra warmth and love of family at Christmastime.

Other Important New Series

Stemming from the success of our Babies Love lift-a-flap series comes our new bright and cheerful Dinos Love series. Playful, rhyming text, and charming illustrations will be a hit with little dino lovers!

Our new Little Wonders early learning series introduces little ones to the natural world with bold illustrations and interesting facts, while keeping them engaged with multi-activity flaps, wheels, tabs, and more!

Exciting New Licensing Partners

nickelodeon

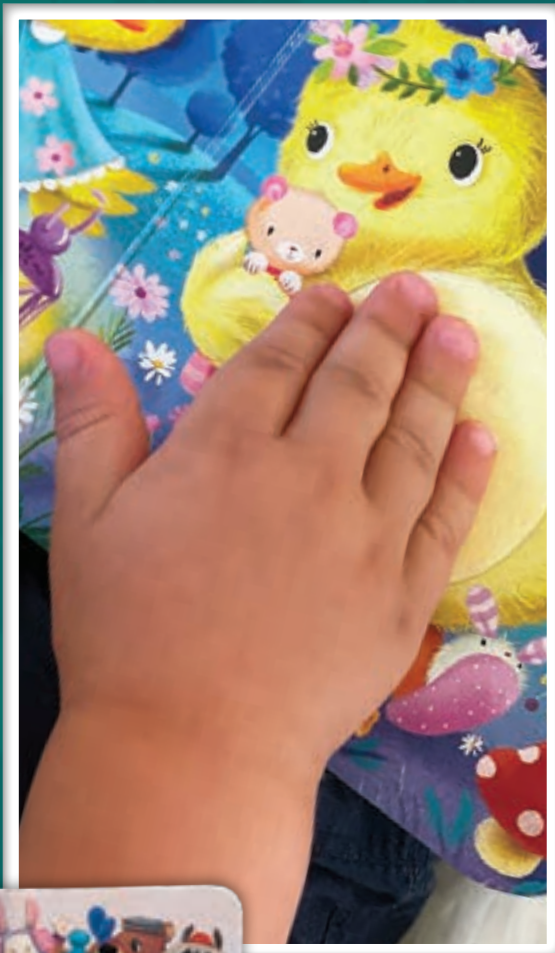

Paw Patrol has been a beloved children's program for over ten years, with no signs of slowing down. We're adding newness to the line with our best-selling puppet and peek-a-flap formats and giftable greeting card book.

THOMAS & FRIENDS

Thomas & Friends has been updated for a new generation of train lovers! New characters and original music sets the newest episodes of the show apart from the original. Integrating music into books is our specialty, and our first title, *Tyrannosaurus Wrecks*, showcases the catchy tune Feet, Tailbone, Ribs, and Claws set to the melody of Head, Shoulders, Knees, and Toes. The book follows Thomas and his friends as they deliver discovered dinosaur bones to a museum for display.
