Loved by Parents, Little Readers, and Partners

Cottage Door Press is valued by consumers and retailers for our novel formats, high-quality materials, world-class illustrations, blue-chip licensing partnerships, and an uncommon orientation to customer service. We revel in feedback that supports customer satisfaction, and work very hard to fix things when we may fall short.

This August, we were over the moon to see Bindi Irwin on the cover of People Magazine reading Little Yellow Bee to her daughter, Grace. Apparently, it's become one of her favorites and is read on repeat. We make all of our books in the hopes that they become a favorite of a little reader and it's so gratifying when there's proof!

While a celebrity "shout out" is amazing, it is our everyday customers and partners reviews that give us the biggest joy. Their feedback offers insight that is invaluable and motivates our hardworking staff. Thank you for the love and honesty. We are better for it!

Retailer Testimonials

"This shipment was full of gorgeous books. I could not get over how beautiful some of the books were, especially "The Night Before Christmas". My goodness! I Loved every book in my shipment."

– Nordica, New Milford, CT

"In a world where things feel so topsy turvy, parents, grandparents, aunts, uncles and friends are seeking SAFE and value-based books for the children in their lives. We have been able to find some amazing books that fit that extreme need and are proud to be a retailer of these products. Cannot recommend enough!"

– Blue Willow, Wimberley, TX

Professional Reviews

"Readers will feel as if they have been wrapped in a warm hug after reading."
– School Library Journal

"Short and sweet, but the empowering message, singsong cadences, and colorful, expressive faces are irresistible."

– Kirkus Starred Review

"The tactile elements and factoids will make it high appeal for curious readers."
– Kirkus

"... solid sense of humor and bright digital cartooning make this lightly irreverent retelling a winner."

– PW Starred Review

My toddler loves books and she enjoys books with good pictures. Its very colorful and attractive. We read this book every night. Would love to buy the whole collection soon. It encourages reading in kids and makes it a fun activity.

★★★★★ Very Cute, Daughter Loves it

Reviewed in the United States on January 10, 2023

Format: Lift-a-Flap Board book | Verified Purchase

This book is very cute and my daughter loves looking at it daily. The doors are thick so it is easy to grab and they are durable enough to withstand the repeated opening and closing. The pictures are adorable, as someone who loves Christmas everything and wanted to get my toddler several Christmas books, this one is my favorite.

★★★★★ Favorite Sing Along Book

Reviewed in the United States on August 16, 2023

Format: Electronic Board book | Verified Purchase

This is my daughter's favorite sing along book with well known and loved lullaby. This is actually our second one- the first one the battery lasted for 2 years with heavy use before water got spilled on it.

★★★★★ Love the Tuffy Books!
