"Way back when I tried to figure out what good things you could do with technology, building a big library that anyone in the world could use seemed like a good idea."

- **Brewster Kahle, founder of Internet Archive**

Additional strategies for getting the most out of IA

01
Background & Uses

Introduction to the Internet Archive and Wayback Machine and Uses for Credentials Evaluators

What is the Internet Archive?

Digital Library providing free public access to collections of digitized materials: websites, software applications & games, movies & videos, music, and almost 2 million books

What is the Wayback Machine?

A searchable archive of the World Wide Web
for more than 525 billion web pages since
1996 to view websites that no longer exist
or older versions of existing websites

Brief History

Founded by Alexa Internet, which was first major web traffic analysis company & "intelligent" search engine that automatically "crawled" websites

Is It Legal?

Its Controlled Digital Library (CDL) doesn't violate copyright, same as traditional library lending, & is protected by US fair use doctrine

Common Uses for Evaluators

- Recognized Institutions
- Grading Scales
- Degree Plans
- Program Parameters
- Graduation Lists
- More?

02

Evaluator Examples

Brief overview of uses for credential evaluators

Welcome to TAICEP: the Association for International Credential Evaluation Professionals
The association for your profession.
TAICEP is the only organization that serves the unique needs of international credential evaluators. As the work of international credential evaluators grows and becomes more complex, there is a need for an organization that has the single purpose of supporting and serving the profession of international credential evaluation.
Take Action Now
If you are interested in being a part of this dynamic, worldwide effort to strengthen and elevate your profession– as a member or as a leader – please join TAICEP. Add Your Voice to the Call for Professional Standards.
Keep in Touch
Whether you are a member or an interested supporter, sign up to receive news and updates on the progress of the Association.
Thank you for your interest!

Welcome to TAICEP
The Association for International Credential Evaluation Professionals (TAICEP) is an international professional association that has the single purpose of supporting and serving the profession of international credential evaluation. The primary goals of TAICEP are to identify and develop theories, methodologies, and best practices used in international credential evaluation and to be an advocate for the profession. The operational principles of TAICEP are collaboration, volunteerism, inclusiveness, and international orientation.

Pensum Anterior de la Carrera de Medicina (M10)
La carrera de Medicina de la UNIBE tiene como propósito contribuir con un egresado que responda a los requerimientos nacionales e internacionales, con habilidades para la investigación, comprometido con la calidad del sector salud y que pueda actuar efectivamente en un modelo de medicina integral con base en la atención primaria en salud.
Este Plan de Estudio incluye tres Ciclos: General, Básico y Profesional. El primero de ellos es el Ciclo General o Premédica donde se desarrollarán con prioridad la formación integral y el logro de competencias generales y básicas; incluye asignaturas comunes para todos los estudiantes de la Universidad y otras específicas del área de la salud.
El segundo es el Ciclo de Formación Básica o de Ciencias Básicas, el cual incluye las asignaturas que le dan fundamento a la formación profesional del médico.
El tercero, está constituido por el Ciclo de Formación Profesional, que incluye las Ciencias Clínicas y el Ciclo de Internado Rotatorio, contiene las asignaturas que garantizan la formación del estudiante en el área del saber y actuar específicos de la profesión, conocidas como habilidades clínicas.
Objetivos Específicos del Plan de Estudio
Formar un médico general entrenado para ejercer la medicina de forma competente y poseer las herramientas básicas, los conceptos, los principios y las destrezas necesarias en su área, estando a la altura de las necesidades de la sociedad.
Fijar en el egresado una capacidad lógica y creativa de cara a la solución de problemas, y la habilidad en cuanto a la toma de decisiones objetivas.
Desarrollar de manera efectiva las relaciones humanas, cimentadas en el respeto, el buen trato y la comunicación con los demás.
Fomentar el autodesarrollo y el interés por la autogestión de aprendizajes por experiencia.

University of San Agustin Student Manual

University of San Agustin

Iloilo City

Dear Student,

Welcome to the University of San Agustin.

It is our hope that with this Student Handbook, you will get to know and consequently love your school better and develop a true Christian personality as envisioned by St. Augustine.

We wish your parents will also read this Student Handbook so that they may also understand what the University is trying to do for you and your future.This edition was approved by the Board of Trustees on November 29, 1997 and takes effect starting School Year 1998-1999. It supersedes the first edition of the Student Manual.

This Manual may be implemented by other memoranda and directives.

Academic Information

›CREDENTIALS

Credentials submitted for enrollment become part of the school records.
They may not be withdrawn after registration.
The University reserves the right not to admit or to dismiss at anytime, any student who submits false credentials.

›ADMISSION CREDENTIALS: *See Catalogue of specific college/department.*

›SUBJECT LOAD

Full Load

Full load means the number of units prescribed in the catalogue for each curriculum per semester.

Overload

A graduating student, both at the secondary and tertiary levels, may be permitted to have, upon the discretion of the school, an additional subject load of not more than two units and six academic units, respectively, in excess of the normal load specified by the school year or term *(1992 Manual of Regulations for Private Schools, Sec. 69).*
Any student applying for an extra load shall course his application through the Office of the Dean of the college, the registrar, and/or the CHED. The overload permit is given only once to a graduating student on his/her last semester.
Non-graduating students are not allowed to have an overload.

›PREREQUISITE SUBJECTS

No student is allowed to enrol and earn credit in advanced subjects unless he has passed their respective prerequisite subjects.

›PHYSICAL EDUCATION

All college students should take eight (8) units of basic Physical Education, as a requirement for graduation.
No student shall be allowed to take more than one Physical Education subject (2 units) per semester without the prior approval of the dean and the registrar.
Per DECS Memo No. 58, s. 1990 dated June 4, 1990, the ratings in Physical Education shall be included in the computation of grades for all students specially for scholarship/honors. The two-unit credit of each Physical Education subject shall cover all students enrolling in Physical Education in the school year 1990-1991 regardless of their year level. Implementation of this Order starts in the second semester of school year 1990-1991.
A student certified by a physician to be physically unfit must continue taking physical training courses, but he/she will be assigned to do non-strenuous activities.

›RESERVE OFFICERS TRAINING COURSE

The University of San Agustin, pursuant to government regulations, requires all male college students to register with the Army ROTC Department for basic military training, exemptions, or deferment therefrom, during the registration period of every semester.

apply for accreditation upon the presentation of pertinent certificates/transcripts of records as approved by the Dean of Theology. A letter of application for accreditation should be accomplished in three copies - typewritten with attached supporting documents.

4. The policies on class attendance are stated in the different college catalogues and the same hold for the Theology Department.
5. An incomplete grade not removed beyond the one(1) year grace period automatically becomes a failure*(see college catalogue).*
6. All Theology 101 and 102 subjects are prerequisite subjects; hence, no student shall be allowed to enrol in the higher Theology subjects if he/she has not passed or has an incomplete grade both in Theology 101 and 102.

›CREDIT AND GRADING SYSTEM

›CREDIT AND UNITS

For the tertiary level: The standard period for every subject shall be one hour. A one hour lecture or recitation each week or a total of not less than seventeen hours in a semester, shall be equivalent to one unit of college audit. Two or three hours of laboratory work, drafting, shop or field work each week shall be equivalent to one hour classroom lecture or recitation work.(1992 Manual of Regulations for Private Schools, Sec. 48).

›GRADING SYSTEM*

The grading system used in all the colleges of the University is the point system, as follows:

Grade	Percent Equivalent	Qualitative Description
1.0	95-100**	Excellent
1.1-1.5	94-90	Very Good
1.6-2.0	89-85	Good
2.1-2.5	84-80	Fair
2.6-3.0	79-75	Passed
5.0	74 and below	Failed

Incomplete (Inc.)

No Credit Dropped (Dpd.)

No Credit Withdrawn (Wdn.)
No Credit

** Other colleges,*
like the Colleges of Nursing and Commerce, may adopt their own grading standards for failing and passing grades, as well as their own retention policies.

See catalogue or guidelines of specific college.

***However no grade beyond 95 shall be given.*

›EXAMINATIONS AND GRADES

1. The examinations hereunder referred to are the preliminary, mid-term, and final examinations in college and the periodic examinations in high school and elementary.
2. No student may be granted any exemption from any examination. Oral examinations in lieu of written examinations are not allowed, unless first approved by the Dean/Principal.
3. Students who fail to take any of the examinations for any reason or have not completed other requirements of the course are given a grade of INCOMPLETE.
4. An examination permit shows that the student has been cleared by the Accounting Office only with respect to financial obligations, but not necessarily with regard to academic requirements, which are left to the discretion of the faculty member and the Dean concerned.
5. Adherence to the schedule of examinations avoids both the inconvenience to students and faculty members alike, and the delay in the settlement of the students' financial obligations. Any change in the general time schedule for examinations should have the prior approval of the Dean/Vice President for Academic Affairs/Registrar.
6. Any student with a grade of INCOMPLETE for reason of not having taken any of the periodic examinations may take a special completion examination after paying the special examination fee within the first week of either of the following 2 semesters. Any grade of INCOMPLETE not removed during this period becomes a FAILURE.

Students who obtain a grade of INCOMPLETE for reasons other than not having

the entire Region; and

3.3. The school head(s), when the suspension is limited to their particular school(s).

4. The lifting of suspension of classes should be made preferably the day before or not later than 4:30 a.m. of the day the classes are to be resumed. All media and other ways of communicating the resumption of classes to the public will be utilized.

GRADUATION

›REQUIREMENTS

In order to be recommended for graduation, students must have taken the last two curriculum years of their respective courses in the University.

Courses in Law, Engineering, Pharmacy, Medical Technology, Nursing, Architecture, Accountancy and Chemistry should be completed in not less than the prescribed number of calendar years.

Candidates for graduation should comply with the requirements of the Department of Theology, Department of Physical Education and ROTC (Reserved Officers Training Course) Department.

Candidates for graduation should have their records appraised by the Office of the Dean before enrolling for the senior year.

The inclusion of the student's name in the list of candidates for graduation and his picture in the AUGUSTINIAN YEARBOOK and his participation in the commencement exercises do not mean that he is already a full-fledged graduate unless he shall have completed satisfactorily all the requirements of the course and his graduation shall have been approved by the Commission on Higher Education.

›ROLL OF HONOR

In order to qualify for the Roll of Honor, a student must obtain a semestral average of at least 1.7 (88 percent), has no grade lower than 2.0 (85 percent) in any subject except ROTC and carries the full load or its equivalent, including basic Physical Education.

›HONORS

The granting of honors to graduating students is a privilege of the University. The University reserves the right to grant honors to deserving graduating students, and to withhold the same for cause as determined by the University Administration

›ACADEMIC CRITERIA

HONOR	Minimum Average	Lowest Grade	Residence	Award
 Summa Cum Laude	1.2 (93%)	1.5 (90%)	All course units	Gold Med
Magna Cum Laude	1.4 (91%)	1.7 (88%)	Last three years	Silver Medal
Cum Laude	1.5 (90%)	2.0 (85%)	Last two years	Bronze Medal

Candidates for honors should have clean records, that is, no grade of DROPPED or INCOMPLETE or WITHDRAWN. (Any decision not in accordance with this provision could be justified by the provision stating that the granting of honors is a privilege of the University, notwithstanding the criteria provided.)

›SPECIAL AWARDS

During the Commencement Exercises, the University grants special awards to the following:

1. The most outstanding graduate.
2. Graduating students who are qualified for the Latin honors.
3. Board and Bar topnotchers who rank among the first ten.
4. Graduating students who studied in this University continuously from Grade I to their graduation from college, without any interruption (Loyalty Award).

of these units in their first year.

Back to top

Entry requirements - general

General admission requirements for entry into undergraduate courses for international students at Deakin are summarised in the undergraduate admission requirements table (194kb).
Some courses may have additional entry requirements.
Students must also meet the undergraduate English language requirements.

Back to top

Entry requirements - specific

IELTS / English language requirements
Please note that English language requirements exist for entry to this course and you will be required to meet the English language level requirement that is applicable in the year of your commencement of studies.
It is the students' responsibility to ensure that she/he has the required IELTS score to register with any external accredited courses. (more details)

Pathways

This course has pathways from more than 20 Institutes of TAFE and universities in Melbourne and regional Victoria. Credit transfer and recognition is normally available from TAFE and university diplomas and advanced diplomas in arts, business, management, and humanities disciplines. Students with graded advanced diplomas from TAFE or equivalent will be eligible for up to 12 credit points of electives. Students with graded diplomas or equivalent from TAFE or equivalent will be eligible for up to 8 credit points of electives. There is also a pathway from Deakin University's Associate Degree of Arts, Business and Sciences to this course with up to 16 credit points depending on units taken.

On completion of this course you may choose to apply for an Honours degree or postgraduate study. These studies normally provide professional qualifications directed to a particular career. Students must have completed a major in the discipline or interdisciplinary area in which they wish to specialise in the honours course. Entry is based on a number of factors, including an average grade of Distinction or High Distinction in the Bachelor of Arts particularly in the discipline in which they want to study Honours and the availability of supervision. Further honours information.

Back to top

Credit for prior learning - general

If you have completed previous studies which you believe may reduce the number of units you have to complete at Deakin, indicate in the appropriate section on your application that you wish to be considered for credit transfer. You will need to provide a certified copy of your previous course details so your credit can be determined. If you are eligible, your offer letter will then contain information about your credit transfer.
Your credit transfer is formally approved prior to your enrolment at Deakin during the Enrolment and Orientation Program. You must bring original documents relating to your previous study so that this approval can occur.

You can also refer to the Credit for Prior Learning (Credit Transfer) Search which outlines the credit that may be granted towards a Deakin University degree.

Back to top

How to apply

- Applicant Portal: Use our online application system to submit and track your application now OR
- Apply through a Deakin International office: Fill out an application form and submit it to a Deakin International office OR
- Apply through a Deakin representative: Take your application form to your preferred agent for assistance.

Tracking your application
If you have already applied and wish to enquire about your application please refer to the relevant area through which you originally applied.

- If you applied through a Deakin representative please contact your representative.
- If you applied through a Deakin International office please contact deakin-int-admissions@deakin.edu.au

X Off campus
BACHELOR OF ARTS (INTERNATIONAL STUDIES) 3 B G X
DEAKIN CODE | VTAC CODE | INDICATIVE FIRST YEAR FEE†
A326 | B 14031 (CSP), 14032 (FPP) G 15311 (CSP), 15312 (FPP) | $5270 (CSP), $14 450 (FPP†)
Prerequisites: VCE units 3 and 4 – a study score of at least 25 in English (any).
This course will enable you to develop a systematic understanding of the international forces shaping government, business and community life in contemporary Australia and the world. An important component of the course is a genuine international study experience and the opportunity to gain cross-cultural experience through studying in Australia and taking part in study and internships in another country.
The course offers an Asia-Pacific view on international relations, security and culture studies. You can choose to specialise in language studies, international relations or international politics.
CAREER OPPORTUNITIES
This course equips you with the skills and experience relevant to a wide range of positions in the public sector, including communications, defence, diplomacy, education, finance, immigration, businesses with an international orientation, trade and aid, and non-government organisations (NGOs) with regional, national and global links.
MAJOR SEQUENCES

Students are expected to undertake one of the following:
» semester of study at an overseas university exchange partner
BACHELOR OF CRIMINOLOGY 3 G X
DEAKIN CODE | VTAC CODE | INDICATIVE FIRST YEAR FEE†
A329 | 15121 (CSP), 15122 (FPP) | $5370 (CSP), $14 960 (FPP†)
Prerequisites: VCE units 3 and 4 – a study score of at least 25 in English (any).
Bachelor of Criminology students receive practical professional training and study critical analysis in the fields of policing, security, corrections, crime prevention and community safety and various paralegal fields.
The mandatory work placement/internship program gives you invaluable experience working with the local community.
CAREER OPPORTUNITIES
Promising career opportunities await in both the public and private sector, including government agencies, state and federal police, ASIO, correctional services, community services, and private security industries.
COURSE STRUCTURE
Students complete 24 credit points of study including 12 credit points of Criminology units consisting of 9 credit points of core units and at least 3 credit points of electives.
CORE UNITS

COURSE OVERVIEW
The Bachelor of Arts (International Studies) is a course for students seeking an international orientation, with a commitment to a period of study at an overseas university, internship at an international organisation or participation in an in-country language program.
You will learn a range of skills in analysis and interpretation of the international forces shaping government, business and community life in contemporary Australia. You will also develop a systematic understanding of other countries and societies, as well as cross-cultural competencies, through an internationally oriented curriculum.
You can study major sequences in areas of Anthropology, Arabic, Chinese, History, Indonesian, Italian, International Relations, Middle East Studies, Politics and Policy Studies, Philosophy and Sociology.
Studying a language is highly recommended, either within the three-year degree itself, or as part of a four-year combined Bachelor of Arts (International Studies)/Diploma of Language.
As part of the course you are required to successfully take part in one of the following international study experiences:
trimester of study at an overseas university exchange partner
international internship
in-country language program (in Chinese, Indonesian or Arabic)
approved study abroad program or
approved onshore internship with an international organisation.
For further information about the internship, contact the Experiential Learning Office on telephone 03 5227 2693. For further information regarding university exchange partners, refer to the Education Abroad web pages.
TRANSITION TO UNIVERSITY STUDY
The faculty offers two units ASC160 Introduction to University Study and ALW117 Writing for Professional Practice which are specifically designed to ease the transition into university study. New students are encouraged to enrol in one or both of these units in their first year.
WHOLLY ONLINE UNITS
To ensure that all Deakin students have the skills to meet the demands of the modern workforce, undergraduate students are required to complete at least one unit of their study wholly online.

TAICEP AT YOUR DESK SERIES

"If something is interesting and not useful, credential evaluators will throw tomatoes and rotten lettuce at you. If something is boring and useful, credential evaluators will throw roses at you. If something is interesting and useful, they'll place laurel leaves on your head and feed you grapes." Musings from TAICEP's first executive director.

Thank you for making this series a big success. We are taking a breather for a bit. We'll be back in the future!

Past Presentations

April 9, 2020: ***International Credential Evaluation in Challenging Times*** (no recording, no handout)

April 16, 2020: ***What is the impact of the COVID-19 virus on higher education and recognition from a European perspective?*** (Click here to watch recorded session (presentation begins around the 2-minute mark), click here to see handout.)

April 23, 2020: ***Resources at Your Desk*** (Click here to watch recorded session. Click here to see Resource Spreadsheets, PPP Slides, MOE Resource List.)

April 30, 2020: ***Credential Doctor*** (Click here to watch recorded session (presentation begins around the 1-minute mark), click here to see handout, PPP Slides.)

May 7, 2020: ***Introduction to Electronic Verification*** (Click here to watch the recorded session, here to see PP presentation slides, and Verification List of Sources.

May 14, 2020: ***Introduction to Digital Records*** (Click here to watch the recorded session, Digitary Slides, Peggy's Slides, Peggy's slide notes, record sources)

May 21, 2020: ***Evaluating Bad (Due to the nature of this topic, there is no recording.*** (Click here to see an abbreviated version of the presentation slides)

May 28, 2020: ***Gotcha Moments in Credential Evaluation: Revealing Easter Eggs, Unsuspecting Details, and Inconsistent Documents (Due to the nature of this topic, there is no recording or slides.)***

National Register of higher education providers

Search the Register

You can use the National Register to:

- find a Provider
- or find a Course.

National Register breakdown as at February 2016

Provider Category	SAA* (full or partial)	Non-SAA	Total
Higher Education Provider	8	119	127
Australian University	40	0	40
Australian University of Specialisation	1	0	1
Overseas University	2	0	2
TOTAL PROVIDERS	**51**	**119**	**170**

*SAA = Self-accrediting Authority (a provider can self-accredit some or all of its courses)

Purpose of the Register

TEQSA is required by section 198 of the Tertiary Education Quality and Standards Agency Act 2011 to establish and maintain a National Register of Higher Education Providers and to make it available for inspection on the internet.

The purpose of the National Register is to be the authoritative source of information on the status of registered higher education providers in Australia.

Information on the Register

The National Register Guidelines outline the provider and course information that TEQSA must include on the register, including providers whose registration has been cancelled by TEQSA. TEQSA may also include other information.

- Active providers are designated as either '**registered**', or as '**registration ongoing pending renewal**' - meaning a decision is pending by the TEQSA Commission regarding the provider's re-registration. During this period, the provider remains registered and courses accredited.
- Active courses are designated as either '**accredited**', or as '**accreditation ongoing pending renewal**' - meaning a decision is pending by the TEQSA Commission regarding the provider's re-accreditation. During this period, the course remains accredited.

Registered higher education providers must notify TEQSA of a material change that would require an updating of details on the National Register.

If you are searching for specific information about a course's content, or the range of courses offered by a particular provider or institution, you can find it on the Australian Government's Study Assist website.

Decisions

Benin - Programs

Was the *Licence Professionnelle en Administration des Affaires* from the *Ecole Superieure de Management* (*ESM*) in Benin recognized in 2015?

Kenya - Moi University

In what year was Moi University awarded its charter by the Kenyan Commission for University Education (CUE)?

Singapore - HEIs

Which of these was NOT a recognized higher education institution according to the the Ministry of Education in Singapore in 2013?

India - HEIs

According to the list dated April 2018, which was archived a few months later, how many State, Deemed-to-Be, Central, and Private Universities total had been approved by the University Grants Commission of India?

Philippines - Programs

According to the 1999 Directory, Abada College was authorized to offer the Bachelor of Science in Commerce in which field?

Venezuela - HEIs

How many higher education institutions are registered with the government of Venezuela's National Registry of Institutions, Programs, and Higher Education Qualifications?
