

The world needs more humility.

To look to the good of someone else
is a fading trait in the culture we live in.

That's why we need it now more than ever.
Humility is contagious. All it takes is a spark,
so why not start now?

#humbleddaily

I'M GOING TO...
cook a meal for a neighbor.

I'M GOING TO...
serve at church.

I'M GOING TO...
send a note to a family
member I haven't connected
with in a while.

I'M GOING TO...
bring coffee to a coworker
who's having a hard day.

I'M GOING TO...
give a stranger a genuine
compliment.

I'M GOING TO...
sit and listen to a friend
who's in a hard season.

I'M GOING TO...
pray for the person who
is hard to love in my life
every morning for a week.
