

Highpoint Collection

Timeless and elegant, our Highpoint Collection can transform your nursery into a peaceful (and put-together) retreat. Featuring intricate woodworking, bun feet and a special multi-step finish that involves sanding, staining and glazing by hand, this collection is full of refined style. A gently arched headboard and substantial frame give the Highpoint Crib 'N' More a classic sensibility, while its modern construction allows it to convert from a crib to a toddler bed, daybed and full size bed. For the royal treatment, pair the crib with the coordinating 5 Drawer Chest, Night Stand, and the Double Dresser that accommodates either the Bookcase/Hutch or Changing Top.
