

Belmont Collection

Your baby will settle into a sophisticated nursery thanks to the Belmont All-in-One Crib Kit from Simmons Kids®. Big on style, this comprehensive kit includes the Belmont Crib 'N' More that features a beautiful, bell-shaped top and solid panel construction with detailed molding, plus a Toddler Guardrail and Crib Conversion Rails that allow you to easily convert it into a toddler bed, daybed and full size bed. Incredibly versatile and well built, the Belmont Crib 'N' More is also JPMA certified which means this crib has been tested to the highest category specific safety standards established by ASTM, through annual independent laboratory testing. So you can rest easy knowing your child will be sleeping safely for years to come.
